REGION 3 TRAINING CONFERENCE

In the 2020 Region 3 Training Conference, districts came together to learn the skills necessary to be an astounding leader. Key Club members got to pick which workshops they wanted to attend. These workshops were targeted to teach us how to get the most out of our experience in Key Club. Before the workshops, we did activities such as the emoji game. The chat was erupting with guesses about the emojis. A few that were shown were Dumbo, Finding Nemo, and Moana! What a fun interactive way to kick off the conference!

Christina Nguyen, president of Key Club at Yorba Linda High School, noted, "I love how people were interacting with each other, and I met a lot of new people! I am always so amazed at the work and effort the lieutenant governors and advisors put in to hold these kind of events over zoom." This conference is definitely one to remember as I gained new leadership skills that will guide me through my Key Club journey!
