Message from the LTG

Hello Goldfish! It's finally June, and we have officially almost reached summer! Although the start of the term was very rackety, I hope you enjoyed the different activities that your clubs have offered for service opportunities. I know that it definitely isn't as fun without physical DCMs or events, but keep tight, since I'm sure things will return back to normal anytime now.

Furthermore, look out for the different events that the Division will begin to sponsor, since we now have a Division Leadership Team that will assist me to make your year unforgettable. Look out for the Division T-Shirt and keep an open mind while we are stuck in quarantine. Stay safe and I hope to see you all soon!

Division T-Shirt Design

For the 2020-2021 term, Design #1 on the Division T-Shirt Design Contest won! It was definitely a close and extremely fun contest. As a Lieutenant Governor, it was truly honoring to have FOUR different designs submitted for the next T-Shirt. I am honestly so proud of all your hard work and I can't wait to see you continue to do amazing things!

In saying that, the Division Leadership Team will be working on creating a form that will be used to pre-order shirts in order to get a good estimate of how many shirts we should order. Look out for the pre-order Google Form to get yourself one of these cute shirts so that once we return to school, you can rock one of these at your next meeting!
