Red Ribbon Week

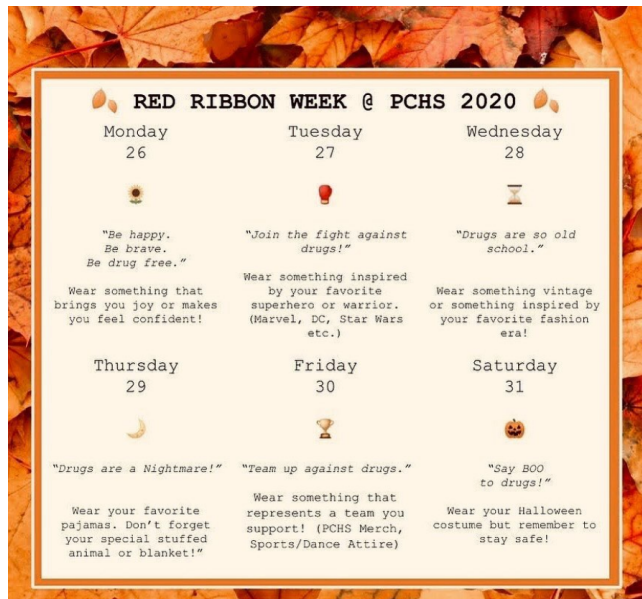

Red Ribbon Week October 26th, 2020

From October 26th-31st, 2020, Key Club members digitally participated in Red Ribbon Week by dressing up to drug-prevention themes. Key Clubbers posted and sent us pictures of themselves supporting the cause through following the themes our member representative, Claire Munch, created.

Above is the list of Red Ribbon Week themes, created by Club Member, Claire Munch. Below is an image of President Grace Davenport's post, representing the theme for Day 1, Monday, October 26th.
