LTG'S MESSAGE

Good morning, afternoon, or evening to the Division that stole my heart! I hope this message finds you and your family well during a time of crisis, because although we are not together right now, we have the ability to support and spread positivity to one another. The community that we serve is full of opportunities and I can't wait to see where we can take our division next month! Even without much service events, I aim to make sure that we can continue staying connected as a division and find passion in the small things that we do everyday.

As the Lieutenant Governor of Division 04 East, I have the honor and privilege of getting to know each and everyone one of my members on a personal level. If you ever are confused, bored, or in need of assistance, don't be afraid to message me anytime, because I'm only one text away!

Swimming into Service,
Vincent Vu
Lieutenant Governor

SERVICE OF THE WEEKS

A new idea that has emerged within our division and over CNH is the idea of a service of the week project, in which the division participates as a collective unit, showing off their spirit and dedication to the CNH Family as well as the community. Keep in touch with your respective division and presidents in order to find out more information regarding the service of the week events!

A service event that our division has created for the month of April is as follows:

Appreciation Monday - Share something you're thankful for!

Thank-a-Hospital Tuesday - Tag a hospital or doctor you're thankful for!

Wear a Mask Wednesday - Share the importance of following health guidelines!

Throwback Thursday - Share your favorite volunteer event this past school year.

Pass the Positivity Friday - Send something positive to your friends, family, etc.
