VOLUME 12 ISSUE 6 NOVEMBER

THE BUZZING POST

THE OFFICIAL CNH
DISTRICT NEWSLETTER

MESSAGE FROM YOUR EDITOR

Hello busy bees!

We are officially halfway through our term. Though we can't exactly celebrate and reminisce what would have been FRN or FRS, we can hopefully look forward to SRN and SRS! However, the chances of it happening definitely are not 100% due to our current circumstances, so make sure to take care of yourself and others!

We are also more than halfway through the first semester! Virtual learning definitely hasn't been the greatest, but try your best! Your best is enough and make sure you don't overwork yourself. There's a possibility you could come back to school second semester (with moderation, of course). Pull through! You got this.

To my fellow seniors, deadlines are quickly approaching for college applications. Early decision and early action dates are right around the corner, so make sure you finish up those essays! Also don't forget about the FAFSA and scholarships, they're both extremely important for paying for your tuition. Congratulations to any QuestBridge finalists! The application was tough and you definitely deserve it!

Moving onto service, I've noticed that there are a lot more in-person events than before, which is super exciting! While making cards on Zoom are great, it is refreshing to be able to physically see other Key Clubbers and be able to chat with them. Make sure to wear a mask and to frequently sanitize your hands, even if they do tend to get dry after some time.

Now that it is the month of November, whether or not you celebrate Thanksgiving, make sure to let your friends and family know that you appreciate them for being themselves and bringing a smile to your face.

The end of 2020 is quickly approaching, and while it wasn't the greatest year, let's end it off with a bang! Compliment someone you know, buy a little gift for someone, or send your favorite person a funny TikTok. Spread positivity!

GOVERNOR

Hello CNH!

I hope that you are all thriving in your school environment. I am sure that school must be getting stressful for all of you, but you will all get through it! Also, I wish you the best in this stressful college application season for all of the seniors. You are all unique individuals who are all more than capable of succeeding in all that you do!

Now getting into Key Club, I hope every one of you reading this has paid their dues. I encourage all of you to continue messaging new members until you have nobody left to message. Please remember that membership is essential this year so please continue recruiting new members, friends, and anyone you know into Key Club. Membership recruitment only ends when you decide to end it, so please do not put your foot off the pedal for recruitment!

I know that it may also be hard to deal with all the Zoom fatigue, so make sure to get adequate breaks in between and take some time off your screen. If you are not at the

best version of yourself, you are in no position to serve others. Remember that your well-being should be the #1 priority, especially during these times. If you are also ever feeling uncreative, then try to take a brainstorming session to yourself. Take out a notepad and write down every little thing that comes to mind, no matter how dumb it might sound. You can build off these ideas and implement them into any events that you might be planning!

Thank you all so much for all that you are doing CNH! You guys are still managing to make huge impacts in all your community, and I feel honored every day to be serving you as your district governor. Please stay safe, and I hope to see you all soon!

Daniel Min
District Governor
cnhkc.gov@gmail.com

SECRETARY

Buzz buzz bees!

I hope you all are happy and safe and are persevering through the last stretch of the semester. Can you believe we have already surpassed the halfway mark of this term? As cliche as it sounds, the term truly has flown by within a blink of an eye. I have learned so much and built unbreakable bonds already this term! It is all thanks to all your efforts and dedication you all have shown for Key Club despite everything going on this term.

This month consists of my favorite holiday, Thanksgiving! Although I won't be having the traditional holiday season with all of my family and friends, I am still looking forward to feeling the holiday spirit! I am also looking forward to the cold weather and snow days to come!

You all are doing phenomenal with service events, and I have thoroughly enjoyed seeing all the new and creative events you all have been hosting! As we move on throughout the school year, Key Club can often become buried under; however, it is essential that you all are still fulfilling your duties as Key Club officers along with all your other activities.

As we enter the second half of the term, it's time for you all to start applying for awards! Make sure to plan, work ahead, and submit your application on-time!

Thank you for everything CNH, I love you all!

Grace Yim
District Secretary
cnhkc.sec@gmail.com

TREASURER

What's Poppin' Bees!

I hope you are all doing great as we enter the beautiful fall season! Many clubs should be well into the process of paying dues, so here are a few reminders for paying dues. Make sure your club has access to the Membership Update Center as soon as possible! If you have any issues, you may need to reach out to Member Services and they tend to become very busy during November-December. Therefore, it is best to resolve any issues with your MUC quickly.

Furthermore, remember that Key Club International has pushed back the early bird dues deadline to December 1st. Both the early bird AND on-time dues deadlines are December 1st, so please make sure to pay by then! If there are any other updates, I will be making sure to contact club treasurers and presidents via email or Remind101. You must pay dues by the on-time dues deadline to apply for scholarships, earn recognition, and run for leadership positions.

Aside from dues, please make sure you are actively fundraising for the Pediatric Trauma Program during this time so that we can meet our district fundraising goal of \$260,000. Divisions and clubs are able to use the GoFundMe that has been set up to have members donate directly to PTP. If you are in need of ideas for online fundraisers or guidance on how to plan fundraisers, please refer to the Fundraising Manual on the CyberKey.

Whether you're an officer or a member, make sure to start looking into which awards and recognition you can apply for! Officers, start on those Distinguished and Outstanding award e-portfolios early on in the year and gather evidence of all your work from throughout the term.

Thank you, CNH bees, for all your hard work and let's push through the next half of the term!

Yena Suh
District Treasurer
cnhkc.treas@gmail.com

INT'L TRUSTEE

Aloha CNH!

Happy November! Can you believe that we are already halfway through the term? It has flown by and I could not be more proud of all that you have accomplished through your service and leadership. These trying times have truly put us to the test and it's clear that nothing will stand in the way of our determination to serve.

That being said, we have a very busy month ahead of us! For my fellow seniors, keep working hard on your college applications and don't forget to take time for yourself and your family! This month is all about giving back and expressing your thankfulness for your loved ones. Taking a minute out of your day to send a meaningful thank you to your friends, teachers, advisors, officers, and lieutenant governors is sure to brighten their day!

Currently, the I-Board is working hard to provide support and create resources for all clubs throughout KCI. This year, the Early Bird Dues deadline has been moved to December 1st so be sure to pay your dues! Our

committees are also working on grading YOF applications, promoting Key Club Week (the best week of the year!), accepting member representatives, and planning an exciting campaign with Thirst Project! Thank you for all of your remarkable efforts to support UNICEF during T-O-T for UNICEF. I look forward to what you accomplish through the end of the term.

Stay tuned for more exciting things coming your way! As always, you can find the latest International updates and news on our district Instagram @missflocal and on missflocal.carrd.co. Have a great November and feel free to contact me at any time!

CNH District Board

COLLEGE APPS SEASON: UNDERCLASSMEN EDITION

While the seniors are preoccupied with College Application Season, the futures of you and your clubs lie in underclassmen hands! Applications are only the start of major changes being made. Here's some things you can do to make sure that these changes run as smoothly as possible!

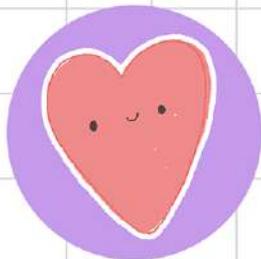

Taking The Leap

As underclassmen, you have the opportunity to find out what activities you enjoy doing! Try extracurriculars that are out of your comfort zone, while slowly dropping out of those you do not wish to dedicate time to. By focusing on activities you are passionate about, your applications will shine!

Stress Management

School can definitely be difficult at times! It is important to not only have a support system, but also be there for your friends. Make sure to dedicate time for self care and your hobbies, as there is no shame in maintaining your mental health.

Positive Affirmations

Stop thinking about "I am never getting into college" and instead replace it with "I WILL get into college". Having self-confidence and a growth mindset is crucial to doing well in all of your endeavors; BEElieve in yourself!

SCHOLARSHIPS

WHY SHOULD YOU APPLY?

College is already expensive enough! Kiwanis loves to support our active Key Club members who go above and beyond in service and leadership! So be sure to utilize the opportunity and apply!

JAMIE KUANG

DIVISION 21

What was your Key Club moment?

Being a Key Club leader has taught me countless skills that will undoubtedly help me in the future. Besides learning the important general leadership skills like time management, organization, and planning, Key Club has also taught me valuable career skills such as using Microsoft Office programs, Google programs, graphic design software, and how to utilize social media. Key Club has impacted me and my peers' lives positively and I am so grateful to be a part of Key Club.

#MyKeyClubStory

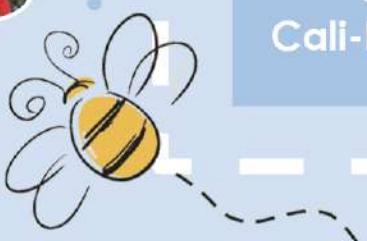

I joined Key Club because when I was younger, my sister, who was Key Club President, would bring me along to different service events and DCMs. Being exposed to the wonders of Key Club at such a young age really influenced and inspired me to become a leader in Key Club when I got into high school.

Why did you join Key Club?

My Key Club moment was in freshman year. I had originally set low expectations for myself and planned on running for an officer position in junior year because I thought I wouldn't be good enough. Thankfully, one of the officers at the time saw my potential and wrote my name down for Treasurer. It took a lot of courage for me to give a speech, but thanks to her, I became Treasurer for the next term and was able to experience all of the opportunity that comes with Key Club. My first year as an officer was incredible, and I learned so much about the Key Club community and how to be a good leader in Key Club.

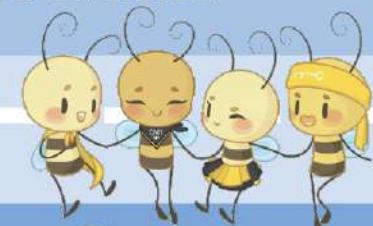

How has Key Club impacted you?

children's miracle network

What is it? — — — — —

Children's Miracle Network (CMN) is a nonprofit organization that **raises money to benefit hospitalized kids and increases awareness of its member hospitals**. Alongside PTP and UNICEF, CMN is **one of the Cali-Nev-Ha Key District's preferred charities!**

What is the importance? — — — — —

All CMN contributions directly benefit hospitals, helping to purchase up-to-date equipment, train staff, conduct life-saving research, implement outreach programs, and provide healthcare for children whose parents can't afford to pay

How can we lend a hand? — — — — —

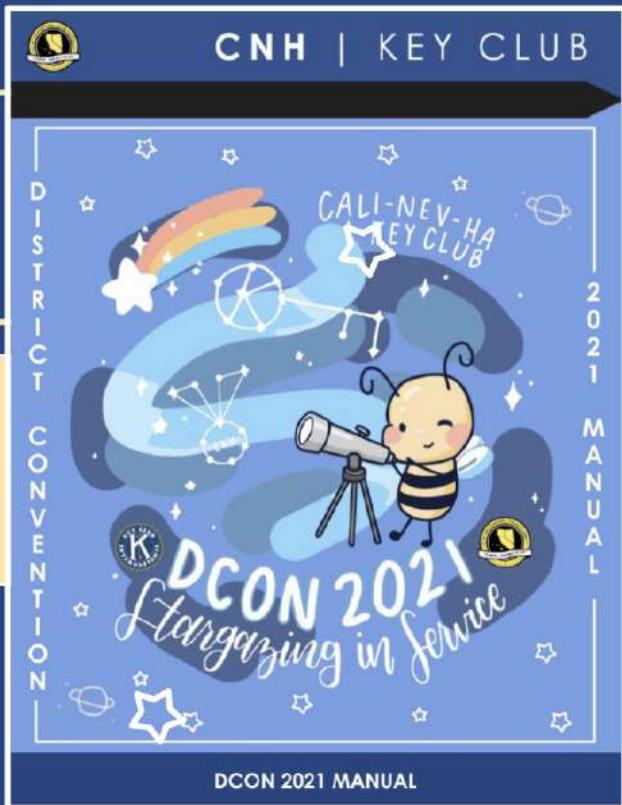

- ★ Host **service projects and fundraisers** meant to aid and raise awareness for CMN
- ★ Create infographics and **share on social media!**
- ★ **Donate directly to childrensmiraclenetwork.org**

candidate

TRAINING CONFERENCE

WHAT IS IT?

Candidate Training Conference (CTC) is where Key Clubbers come to learn more about what a Lieutenant Governor for anyone who wants to run, and how Key Club works on the division & district level!

WHY SHOULD YOU GO?

Even if you don't plan on running for LTG or have doubts about running, CTC is a great way to learn more about what it means to be a leader. You can meet other passionate Key Clubbers, and talk one-on-one with LTG's about their experiences as an LTG. You can also fulfill your training conference requirement on the MRP.

HOW CAN YOU SIGN UP?

Ask your respective Lieutenant Governor or the Lieutenant Governors in your region for more information on CTC! You won't regret attending, we hope to see you as a future LTG candidate!

MEMBER RECOGNITION PROGRAM

What is the Member Recognition Program?

The CNH Member Recognition Program is a year round program to recognize a large number of dues-paid Key Club members who have shown dedication in service, leadership, and fellowship.

The four levels of recognition on the rubric are:

- **Bronze** - Certificate
- **Silver** - Certificate
- **Gold** - Certificate
- **Platinum** - Medal & Certificate

In order to qualify for certain levels, an individual must reach certain requirements such as serving a specific number of hours, going to certain events, and more. The guidelines can be found [here](#).

How are online events counted?

Online events this term will be counted. It will be announced prior to the event if it counts toward an MRP category. Secretaries will have to adjust and follow the new rubric!

MEMBER RECOGNITION PROGRAM

CNH | KEY CLUB

Policy, International Business, and Elections

Slice of PIE: Policy of the Month

\$11.50

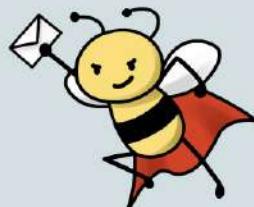

Dues Payment

Each Key Club is required to pay at least \$11.50 per year for dues for each of its members. \$7 goes to International, and shall be paid as required by Key Club International. Dues for CNH are \$4.50 respectively. Dues are effective on the date that the member is inducted, or, in the case of a continuing member, on October 1. A membership list, also known as the roster from the Membership Update Center website, must accompany the dues payment.

Policy 128 Member Dues

What Does This Mean

All Key Club members must pay membership dues every term. Out of the overall dues payment of \$11.50, \$4.50 is dedicated to the district and \$7 is dedicated to Key Club International.

Why Is This Important

Dues help us run this organization by allocating funds to spend on scholarships, division budgets, and membership materials. Without dues, Key Club would not be able to function!

CNH District Policy, International Business, and Elections Chair

Chair Ilene Thaopraseuth | cnhkc.pie@gmail.com

Due Process

When an officer is failing to fulfill their duties, the Board of Directors should help the officer learn and grow from their mistakes. **Removal from office is the last resort.**

1. The president, vice president, and advisor should meet with the officer in question to privately discuss how the officer can improve their performance.

Any member may recommend the removal of a club officer to the Board of Directors.

2. If the officer continues to fail to fulfill their responsibilities, the Board of Directors will hold a meeting to either approve or reject the recommendation.

3. If approved, a meeting will be held with the entire club to vote on the removal of the officer. 2/3rds quorum of dues paid members is required in order for the removal to be approved.

The school, advisors, and LTG should be notified of the removal.

4. In the event any officers should be removed from office, the officer should be notified by the secretary in writing.

For more information, refer to Article VI: Officers; Section 7, Removal of a Club Officer in the Key Club Standard Club Bylaws

KIWANIS DISASTER RELIEF FUND

When disaster strikes, the Kiwanis family responds through raising money, collecting supplies, and more! Here are some ways YOU and your CLUB can help!

DONATE TO THE KIWANIS CHILDREN'S FUND

In the aftermath of a natural disaster, the Kiwanis Children's Fund is there to help Kiwanis clubs and districts **meet the crucial and immediate needs of people in their communities**. When you donate to the Kiwanis Children's Funds Disaster Relief Program, you make sure the Kiwanis family can assist people who have been affected by hurricanes, tornadoes, typhoons, floods, wildfires and more. To donate to the Kiwanis Children's Fund, **text "Aid" to 50155, [click here](#) or [mail a check](#).**

APPLY FOR A GRANT

Is your club in a position to offer hands-on help? Kiwanis clubs and districts in the affected area can apply for a grant to address the immediate needs of victims in the wake of a natural disaster. The grants are typically used to **purchase and distribute basic necessities** such as food, bottled water, clothing/blankets, first aid supplies, cleaning supplies and toiletries. **Kiwanis must lead the project or relief effort** and may not hand over money to another agency, group or organization. Go to kiwanischildrensfund.org/disaster for more information on how to apply.

CONTACT FOR MORE INFORMATION

Email: grants@kiwanis.org

Phone: 1-800-KIWANIS ext. 225 (US & Canada)
+1-317-217-6225 (Int'l)

spotlight on service program KIWANIS FAMILY

background

Kiwanis is a global organization of volunteers dedicated to improving the world one child and one community at a time. Each year the Kiwanis family dedicates more than 18.5 million hours to service and raises more than US\$100 million for local and global causes. Our members come from all walks of life, all corners of the globe and from every age group and ability. But make no mistake about it—we are family. Partner with branches of the Kiwanis Family like K-Kids, Builder's Club, Kiwin's, Kiwanis, Aktion Club, and Circle K to get involved!

Don't forget to submit your club's SOSP project by the 5th of every month by 6:00PM Pacific Daylight Time for a chance to be featured in the district newsletter and on the CNH Instagram!

Find SOSP Guides on the CNH Cyberkey > Projects > Spotlight on Service Program

Keep in mind! Our district's major emphasis initiative is "children, their future, our focus!"

spotlight on service program

PEDIATRIC TRAUMA PROGRAM

posters for ptp

Gregori | D46N | R12

"Our club teamed up with two other clubs in our division at the beginning of September to host an event that focused on PTP. (Modesto High and Grace Davis). To prepare for the event, all the officers per club attended the Zoom sessions with our LTG that were held to discuss the logistics and delegate tasks and roles from each club. During this event, the hosts displayed a slideshow on how to sign in along with a short PTP informational video, followed by the directions and requirements for the infographic. This way, Key Clubbers are able to access the directions/requirements/submissions easier. We made sure that members were citing their information and giving proper credit to their sources. Throughout the remainder of the meeting, soft Lofi music was played along with other music suggestions to brighten the mood while members made infographics. Overall, this educational service event was an amazing

learning experience for many of our new members who were unaware of one of our biggest preferred charities, the Pediatric Trauma Program. We provided many visual and factual resources to allow members to gain insight on PTP and implement their own ideas to raise awareness and advocate for children's safety. We successfully received a total of 31 infographics from both of our sessions and are planning to display them on our club newsletters and social media."

**PREVENTING PEDIATRIC TRAUMA:
FALL PREVENTION**

Falls are the **leading cause** of non-fatal injuries for **ALL** children ages 0 to 19. Each day, about **8,000** children are treated in the United States emergency room for fall-related injuries. That's almost **2.8 million children A YEAR.**

Many of these falls are **PREDICTABLE!**

HOW TO PREVENT FALLS

PLAY SAFELY
The most common cause of injury is a fall on the playground. Ensure that the surfaces **UNDER** the playground are **safe, soft, and of the appropriate material**. It should also be the right depth and well-maintained.

SAFER HOME
Utilize home safety devices like window guards, stair gates, and guard rails. These safety devices are meant to help **prevent** an active child from taking a dangerous tumble down a for height.

SPORTS SAFETY
Practice proper safety measures as your child plays sports to help prevent injury during harmful accidents. Have them wear protective gear like wrist guards, knee and elbow pads, and a helmet.

SUPERVISION
In general, supervision over your children is the key to protecting them from pediatric trauma. Supervise young children when they are around potential fall hazards like the stairs and playground equipment **AT ALL TIMES**, whether you are at home or in public.

Information courtesy of <http://www.cdc.gov/ncipc/youthchild/falls/index.html>

fun drive clothing drive

El Dorado | D30N | R3

"I had planned this event back in March because it was supposed to take place before quarantine. What the fundrive does, is collected clothes, toys and other donations get dropped off at our local Savers store (similar to Goodwill) and in exchange, they reward us with a price per pound to help our organization fundraise. For this event, we made sure to get a lot of participation by making several flyers, posting on social media, reaching out to people in our division, etc. I was the main collection person, but a couple other officers stored the clothing in our houses until our drop off date on September 27th. This project impacted our club, because unexpectedly, this event was able to over achieve our fundraising goal by double. This project alone raised about \$600 for the pediatric trauma program as we donated over 2,300 pounds of stuff. The project was very successful because not only did it raise funds, but the donations also go to a good cause because they are sold at low cost to people in our community who need it. An aspect of the service project that was unlucky was the time frame because covid-19 pushed our drop off date back by 5 months. However, I don't think any improvements would need to have been made, and I encourage other schools to take a look at a FunDrive clothing drive opportunity!"

birthday wishes for ptp patients

VCPA | D46N | R17

"Our Key Club, VCPA, collaborated with Beyer's Key Club to make this happen. Originally we had planned to make infographics focused on bike helmet safety, but during a meeting with the two clubs (and LTG Monica In joining us), Monica suggested to us that we make birthday cards or "get well soon" cards for PTP children in the hospital (Valley Children's Hospital). Both clubs loved the so idea we went with it. In that same meeting we figured out the details (dates, times, who would host the Zoom meetings, digital and physical submissions, and the ice breaker idea). We ended up hosting the event for three days (9/28 - 8/30) from 4:00 - 5:00 pm each day. Digital cards would be emailed to both me and Beyer's president and physical submissions would be mailed to VCPA's campus. For the execution of the event, our ice breaker was playing a game of 'Among Us' (phone app) and then we let participants work on their cards for the rest of time while playing music."

SERVETEMBER

a message from the service projects committee <3

Thank you to all the clubs that submitted to the Serve-tember program. We received a record number of responses from clubs across the California-Nevada-Hawaii District!

We hope that through participation in the Serve-tember program, your club was encouraged to showcase district initiatives, raise funds for the Pediatric Trauma Program, and inform members about the Kiwanis Family House.

We encourage you to continue participating in the Spotlight on Service Program for the remaining months of the term!

happy serving,

SCHOOL SUPPLY DRIVE MARLEEN GONZALEZ | D24/29, PIONEER VALLEY

During the month of September, we had our first Division service week! Throughout the week of September 14th, our key clubbers, along with other schools in our division, participated in a variety of service projects all focused on our service week theme: Children's Education. Throughout the week, our key clubbers gathered any school supplies they may have already owned or bought new supplies as part of our final event of the service week. On Saturday, September 19th, the last day of our service week, our members participated in our School Supply Drive in order to provide school supplies for our local Boys & Girls Club. Our School Supply Drive was held at Preisker Park and many of our officers, a few of our members, and our Kiwanis Advisor were

there to help collect items. Several of our members stopped by for the drive-thru event and dropped off donations such as color pencils, notebooks, washable markers, erasers, and paper. We were able to collect 100+ items and we helped package the items in a few boxes which would later be dropped off. Following the service week, our Kiwanis Advisor personally delivered all donations to our Boys & Girls Club and the staff were very delighted to have received new supplies. The supply drive was a great opportunity for our members to help out during these unprecedented times, but most importantly, it was great to know that the children in our community would be happy to receive new school supplies!

CRANES FOR CANCER

SHAMITHA PICHika | D04S, SAN JUAN HILLS

Based on a Japanese tradition that 1,000 paper cranes bring good luck, SJHHS Key Club members got together to create paper cranes for patients that have been diagnosed with cancer. This service event was held via Zoom and was at the first SJHHS club meeting. Members were shown a paper folding tutorial and then eagerly followed to fold, flap, and bend their papers into beautiful cranes. Once the club's goal of creating 1,000 cranes has been achieved, they will be sent to the Cranes for Cancer organization and donated to someone in need. Although the SJHHS members were separated at home, they were able to get together to give back to their community.

SAN DIEGO CHILDREN'S MUSEUM BEAUTIFICATION

ANDREW NGUYEN | D37E, ESCONDIDO

For our clean up at the children's museum, it occurred September 12, to 9 am to 11 am. Our members worked to help cleanup the museum by pulling weeds, cleaning the sandbox, planting seeds, and decorating the place. I personally enjoyed helping out in the event. I get to interact with other members while helping out with the cleanup. Overall the event was successful and many members also really enjoyed helping out and contributing.

MISSION BEACH PARK

DAMIEN OCHOA | D31, GROSSMONT

On September 12th, the Grossmont Key Club was able to participate in a Beach CleanUp at Mission Bay Park. We started off that morning by getting to our location and making sure that we posted our meetup spot so that our members could know where to go. This was a very successful cleanup because we had 10 members sign up and participate.

Initially, we were supposed to go to another event but we had a complication with the number of participants able to attend that event so we quickly had to communicate with our members and see if they were comfortable with a beach cleanup instead. Luckily, all of our members agreed to our new event and we were able to clean up a good amount of trash at the beach. When we got to our location, we had to split up into groups to ensure that we could cover as much ground as possible during the time that we were there. We distributed bags and trash pickers to anyone who needed them and got to work!

My group spent half the time picking up trash in the grass and by the roads which consisted of many small pieces of trash such as candy, straws, and juice boxes. For the second half of the time, my group went by the rocks in the shore and found bigger pieces of trash. We were stunned to see that there were plastic bottles, cans, trash bags, and paper plates all in the same location.

Although the rocks seemed a little treacherous, I was able to collect most of the pieces of trash and properly dispose of them. Once we had cleaned for two hours, all the groups met back at the same meetup spot and took socially distanced pictures and were able to talk to each other about our common interests such as community service. I enjoy our "physical" events more over our virtual events because it gives the officers a chance to talk to our new members who are interested and eager to learn more about Key Club. Overall, this event was very successful and we received good feedback from the members who attended.

LOVE LETTERS FOR LITERACY *JORDAN SUNGLAO | D27N, MIDDLE COLLEGE*

Middle College Key Club and Middle College's Student Government teamed up for their first ever event together. Love Letters for Literacy is an organization that helps teach the alphabet to children. Members created flash cards of each letter in the alphabet and a picture to help the kids memorize each letter. Along with the cards was a personalized letter from the member that helped to encourage the children to want to practice and learn to read and write. The packs of cards and letters were dropped off at Bear Creek High School and they will be donated to Parklane elementary.
