# TRICK-OR-TREAT FOR UNICEF

BE A HERO AND HELP KIDS IN NEED THIS HALLOWEEN!

## Y SPOOKY SEASON!

As the coronavirus pandemic continues to impact communities around the globe and in the United States, Trick-or-Treat for UNICEF won't stop. We're implementing a virtual Trick-or-Treat for UNICEF experience and through the month of October, you can add purpose to Halloween by **collecting lifesaving donations for UNICEF virtually**.

Beginning October 1st, teachers, parents and children can register for their **digital, orange box** and participate in fun activities to earn "coins" that add up to real-life impact!"

For more info, visit [www.unicefusa.org/trick-or-treat](http://www.unicefusa.org/trick-or-treat)

# MESSAGE FROM YOUR EDITOR

Updated 10/1/2020

## ***Happy October, bees!***

We are now 6 months into the term! It's unreal how we've spent half a year together already, it feels like time really did fly by! It is important to cherish the time we have together and to focus on ourselves and our futures.

For seniors, we have officially entered college app season. The FAFSA opens today! Fill out your application as soon as possible to get it out of the way and to make sure you're granted as much money as possible. If you don't know where to start, contact your school counselor! They will have everything you need to know for college applications and financial aid.

During this time of the year we would have Trick-or-Treat boxes for UNICEF. Unfortunately, for the safety of ourselves and others, trick-or-treating is highly discouraged while the pandemic is still very well ongoing. But don't fret! It seems we're in for a treat this year from UNICEF. There are still ways for us to donate to MNT. Be sure to check out the Key Club International website for more information.

Make sure to be safe during the pandemic! Wear your masks when going outdoors, maintain social distancing, and wash your hands. We're all going through difficult times, so make sure to give yourself mental health days and dedicate parts of your day to self-care. I'll see you soon, bees!

# GOVERNOR'S NOTE

## Greetings CNH!

I hope that you have all now been well-adjusted to your new method of learning at school! I know that it is nowhere near the experience of a real-life education but try making the most out of it! You only get what you put in so do all your homework, study for your tests, and try to genuinely learn in your new environment. I promise that your efforts will pay off at the end of the year if you truly put in the work.

Now talking about Key Club, **membership recruitment season is now at its peak!** If you are a new member, I encourage you to take all the opportunities given to you. I started off joining for the purpose of service hours and I attended my first service event at a Christmas parade. Throughout the event, I met so many different people, served the community, and learned how much I loved doing what I just did. That was what ignited it all for me, one event. My passion and action to take all the chances given to me was what shaped me to be who I am today. If you take the opportunities given by Key Club, I can guarantee that it is something you will not regret.

In addition to opportunities, our **Fall Rally has been postponed!** Rather than getting

cancelled altogether, administrators decided to postpone it. This way, all Key Club members can attend THE biggest events of the year! **Key Leader has completely free, virtual Fall Rally!** All you guys to attend the rally and no fees holding us back from having such a big event!

Please remember to spread the word that you are an official member of Key Club! Our membership goal this year is 100 members and we need everyone to help make that goal a reality!

If you ever need anything, please remember that I am here to serve YOU so feel free to contact me if you ever need anything. I am here for the tremendous amount of time and effort you put into this organization and I can't wait to see what we accomplish soon!

E

ther, the executives and

Happy October

I hope you all have adjusted by now. October is my favorite month because of the breezy weather, delicious spice foods, and the good mood!

to do list  
**MRF!**

- give back to my community
- walk my dog

While looking through old photos, I came across some from seeing them most recently of the past. This is the first time in four years that we have seen Flags Discoveries, Key Club friends, and our heart out and about. It was initially this that made me super sad. But we still have our goals to look forward to! I am excited for the new year; please continue to wear masks and make plans so we will be able to see each other again.

# SECRETARY'S NOTE

er, CNH!

I all are doing well and I am happy to your new schedules. CNH has to be one of my favorite months; everything from the Fall Rally to all the pumpkin carving. CNH never fails to put me in a great mood.

Recently, I was looking through old photos, I found some from my Fall Rally North in 2018. It was my freshman year, and it made me very nostalgic. I am excited to see what this year will be like. I am also excited because this year will be the first year where I will not be at Six Flags for Fall Rally. I am going to my Kingdom seeing my friends while cheering my team on. I am also experiencing fright at the thought of not being able to go to Fall Rally. Thinking about this made me realize that I am not going to be able to go to Fall Rally this year. However, I realized we still have the Spring Rally to look forward to. I hope you all are looking forward to Fall Rally as much as I am. I am continuing to wear my mask and maintain social distancing so that I will be able to carry on with our club.

As we move on throughout the year, please continue to be hosting service events for member retention and contributing to achieving our service hour goal! As of September 10th, 2020, our District has served 133,595.12 service hours; this is approximately 14.84% of our goal of 900,000 service hours. The executives are so beyond proud of each one of you for continuing to serve despite our circumstances. Please continue to keep serving and bee-ing your amazing selves!

Thank you for all you do, CNH, and I hope you are staying happy and healthy!

# INTERNATIONAL TRUSTEE EMMA CHANG

## Hello CNH!

Happy October! I hope you are staying safe and working hard in your communities and classes. For all of our newly-joined, welcome! Key Club is truly an organization like no other and I wish you all the best as you embark on your new journey.

As of now, the I-Board is working on distributing leadership training materials, establishing the COVID-19 task force, revising the brand guide, and furthering our relationships with International Districts and Service Partners. When I'm not working with my governors, I chair the Int'l Programs and Partners Committee and have worked to create campaigns such as last month's Suicide Prevention Week and promote the YOF grant.

Here are a few reminders for October!

**Emma Chang**

Int'l Trustee | KCI

emma.chang@keyclub.org

- Trick-or-Treat for UNICEF is now virtual! Get creative and raise funds through our donation box! (More information will be posted on [trickortreatforunicef.org](http://trickortreatforunicef.org))

- Get started on your YOF grant application! Start planning your next service project and receive a grant from USD\$250 to \$2,000! **The application will close on October 15th.**

- KCI dues are due on **December 1st**. If you and your club would like to qualify for the Early Bird Award, submit them by **November 1st**!

- For seniors, college applications deadlines are coming up very soon so make sure you stay on top of your application and deadlines!

- It's not too late to sign up for email updates! Find the join link on our sistrict Instagram, **@missflocal!**

That's all for me! Feel free to reach out to me at any time if you need anything. Thank you for all that you do and happy serving!

## What Is The Purpose Of Grants?

The Kiwanis Cal-Nev-Ha Children's Fund offers an array of grant programs to our Kiwanis and Service Leadership Program clubs to enhance and further their efforts to build a better future for our children.

## Grant Programs & What We Can Do With Them

### ➤ CLUB GRANTS

The Cal-Nev-Ha Children's Fund supports **Kiwanis clubs' interest in their local community needs**. Often, however, a community need may far exceed a club's ability to get the project started. The Club Grant Program was developed in 1984 to **assist clubs with seed money** when the scope of a service project exceeds the club's financial resources.

### ➤ DISASTER ASSISTANCE

The Disaster Assistance Project Grant Program was established by the Cal-Nev-Ha Children's Fund to **assist Kiwanians and their clubs in providing immediate disaster relief assistance** in the event of a natural disaster. To assist clubs in this endeavor, the Cal-Nev-Ha Children's Fund makes **available club grants for service projects**.

### ➤ PEDIATRIC TRAUMA PROGRAM (PTP)

The Pediatric Trauma Prevention Grant Program was established by the Cal-Nev-Ha Children's Fund to provide grants to assist Kiwanis and Service Leadership Programs (SLP) clubs in **financing new service projects which address pediatric trauma and injury prevention**. **Grants will be given to clubs for projects which seek to prevent and/or treat pediatric trauma** – defined as sudden, unintentional physical injury.

### ➤ PTP FOR PARTNERED HOSPITALS

The PTP Grant Program for Partner Hospitals makes available grants to our Partner Hospitals to **assist them with their unfunded needs** directly related to pediatric trauma and injury prevention.

### ➤ SPECIAL OLYMPICS/ SPECIAL NEEDS COMMUNITY

The Special Olympics/ Special Needs Community grant program was established to **assist Kiwanis clubs and divisions in financing Special Olympics projects or projects that support the Special Needs community**. The Cal-Nev-Ha Children's Fund makes available Special Olympics/ Special Needs Community grants for projects by providing funds up to \$1,000.00.

# Key To College

## What is Key To College?

Key to College is a program **hosted by Circle K**. It focuses on providing us Key Clubbers tips and advice on how to get through college. Through various workshops on topics from college applications to time management, **students gain insight on what college is like and get prepared** to pursue higher education!

## Why should **YOU** attend?

It is **a one of a kind experience** that will help you prepare for college! You can expect genuine responses to your questions from panelists and in workshops. This is **a great opportunity to expand your knowledge about colleges** and it is **never too early to prepare**. Make sure you keep an eye out on your local Circle K Clubs for potential Key To College programs!

## How to find local clubs!

Locations, dates, and time **may vary depending on your local Circle K Clubs**! Key To College can be hosted anytime in the Summer, Fall, or Winter **so stay connected with your Lt. Governor for updates regarding Key To College**. Additionally, you can always **reach out** to your local Circle K Clubs **to see if they can put together a Key To College for YOU!**

# VIRTUAL KEY LEADER

## What is Key Leader?

Key Leader helps you take your leadership skills to the next level. The program empowers students to become more caring and confident servant leaders through personal reflection. You'll discover your values, how you relate to others and how you can collaborate, lead and problem-solve to achieve more for yourself, your schools and your communities.

### How to Sign-Up:

1. Go to: [tinyurl.com/virtualkeyleader](http://tinyurl.com/virtualkeyleader)
2. Fill out the Parental Permission Form (if under 18 years old)
3. Sign up with your name and email!

The workbook will be emailed to you. Once you download it, you can watch the videos and fill out the questions at your own pace!

**The entire process will be on your own and done at your own pace!**

After completing the course, you will have learned these 6 principles:

- Service Leadership
- Personal Integrity
- Personal Growth
- Respect
- Building Community
- Pursuit of Excellence

# Kiwanis One Day

SATURDAY, OCTOBER 24 IS KIWANIS ONE DAY!

## What is it?

Kiwanis One Day is an annual event that brings together all of the Kiwanis family clubs around the world.

Kiwanis One Day encourages a focus on local community service!

Every year, Kiwanis and all of their SLPs plan service events, projects, and fundraisers to celebrate Kiwanis One Day. Even though it might look a little different this year,

here are some things your club can do to participate!

## What can you do?

Partner up with your local Kiwanis Family, and begin to coordinate and brainstorm ideas! For example, you can host a

# TRICK-OR-TREAT FOR UNICEF

## WHAT IS UNICEF?

**UNICEF (United Nations Children's Fund)** aims to provide humanitarian and developmental aid to children worldwide. Some of their contributions include promotion of education, funding disease researches and emergency relief for disaster responses.

## WHY IS UNICEF IMPORTANT?

Every year **during the entire month of October**, Key Clubbers will put on their best costumes and carry around the Trick-or-Treat boxes and raise money for UNICEF by going door to door around their neighborhood!

**\*\*This year ALL fundraising will be ONLINE\*\***

## HOW TO PARTICIPATE

## elementary school virtual tutoring

Benicia | D08 | R9

"As our school transitioned from in-person learning to virtual learning, Benicia Key Club wanted to provide their support to local elementary school students who might be struggling with schoolwork. The board of officers emailed all of the elementary school principals in our school district to offer our tutoring services. Soon, we got in contact with a fourth grade teacher, met and observed his class on one of their Zoom meetings, and started tutoring. We utilized a spreadsheet to assign members with 4th graders and tutored both math and English. Members have been tutoring via Zoom starting in July and throughout the entire month of August. Though quarantine has limited our in-person service events, virtual tutoring has been a solution that let members keep in touch with their community. Bonds were created between the 4th graders and Key Club members. Additionally, our club established tutoring as one of our yearly service events in which members can earn service hours. Elementary schools in our area now know of our club and know to reach out to us when in need of our services. Of course, this project could have been improved if more Key Club members participated. Not all of the 4th graders got assigned a tutor and if we were to start over, we would try to encourage more members to sign up to tutor. However, overall this project was highly successful and a couple of members will even continue tutoring through the school year!"

## at-home service

Oxford Academy | D30S | R3

"Throughout the month of August, our club had two service projects that helped children get more access to educational resources and opportunities. Since we couldn't hold any in-person events or fundraisers, we used online apps and websites as an alternative. One of the apps that we used was Charity Miles, which turned the miles walked/run by volunteers into donations for charity. The charities that targeted children's education included Pencils of Promise, She's the First, Action for Healthy Kids, and McKinley Children's Center. The organizations help build schools, provide education services for children, create healthier schools, and make sure that every child has an equal opportunity for education. Volunteers downloaded the app, chose a charity, then ran/walked to raise money for these charities. The other service project that we did was UNICEF's Math for Good Challenge, in which volunteers answered math questions in order to help get children into school and out of poverty. Each math question answered unlocked a \$0.25 donation to UNICEF. We created a Google Form for both service projects so volunteers could submit proof of their participation in the projects and so we could keep track of their hours."

## children's bookmark making

Irvington | D12E | R17

"Prior to the term, my club did not really know much about the District SOSP, so learning more about it from our Lieutenant Governor, Emily Vu, really inspired us to find ways to take initiative and participate in these programs! One of the SOSP themes that really spoke out to us was Children's Education, as our Key Club had previously worked with a non-profit organization called Rising Youth Association (RYA), which focused on tutoring underprivileged children. Our experience with RYA meant a lot to us so we really want to help in any way we can while in quarantine. For this event, we were able to get 55 active participants, which is amazing! I felt like we were really able to engage both our introverted and extroverted members. In the beginning of the event, we focused on playing a little emoji guessing game which helped to ease any tension between the members on the call. We also played music throughout the event, which was more tailored towards the introverted people who may have preferred to work in silence."

# UNICEF

## BACKGROUND

Key Club and UNICEF have partnered together for many causes, helping communities all over the world:

"Trick-or-Treat for UNICEF has empowered generations to make lasting change in their global community by collecting donations on Halloween to help save and protect children.

Key Club has been Trick-or-Treating for UNICEF since 1994, raising over \$7 million. Combating iodine deficiency worldwide and HIV and AIDS in Kenya and Swaziland are just some of the programs Key Club has supported. Since 2011,

Key Club's Trick-or-Treat donations have funded The Eliminate Project, which supports the elimination of maternal and neonatal tetanus globally."

Do not forget to submit your club's SOSP project by the fifth of every month by 6:00PM

Pacific Daylight Time for a chance to be featured in the district newsletter and on the CNH Instagram!

- Contest entries must be submitted to your respective Lt. Governor for judging on the division level
- All submitted Division Contest entries will be judged by the Division Judging Committee (DJC)
- Only one contest winner will be selected for each Division Contest and will be sent to the CNH District
- At DCON 2021, all Division Contest winners in each category will be announced

## Division Judging Committee

- **Division Judging Committee** consist of  $\frac{1}{3}$  of Key Clubs in the division are required to be represented.

## Tips for Division Contest

1. Contact your respective Lt. Governor for deadline.
2. Look through each Division Contest guidelines carefully.
3. Start your e-portfolio as soon as possible in order to not procrastinate.
4. Ask other clubs and members for help and even for ideas.
5. Truly showcase what your club is all about.

# Year in Review

The Year in Review contest is for clubs who want to artistically showcase their club's accomplishments for the year. There's two categories, traditional/ non-traditional and digital. Traditional and nontraditional are international events. They will first be judged on a district level at DCON 2021 and the top two distinguished winners will then go on to compete at ICON 2021. The digital Year in Review is NOT an international event.

## REMEMBER

- You can ONLY enter either the traditional/non-traditional OR digital YIR
- Digital YIR is a district judged contest while traditional is an international contest!
- MUST keep record of how much you spend, max \$300

## Rubric Breakdown

- Uniqueness
- Artistic value
- Service to school/community
- Fundraising projects
- Kiwanis relations
- Major emphasis (kids)
- Misc.

## Guidelines

## Halo Movement

- ◆ Halo is a new service initiative created by Nickelodeon
- ◆ Similar to YOF, clubs can apply for service project grants totaling from \$100-\$2500
- ◆ The public will vote via Facebook and the top 10 clubs could be featured on TV!

# 34 | DIVISION RECOGNITION

## WHAT IS DIVISION RECOGNITION?

Division recognition is where clubs, members, officers, faculty advisors, and Kiwanis advisors are recognized for the all the work they contributed in the past month. These **key** members are what help power their club and division and their club and division would not be the same without them. Without further ado, congratulate the following who were recognized for the month of **September**.

## KIWANIS BACKPACK DISTRIBUTION

*Timmy Bui, Oxford Academy / D30S*

Yet again, our Kiwanis family asked us to help out with a supplies distribution for disadvantaged kids who are starting school, so we delivered. Six students from Oxford Academy came to help out with the proper mask protection. It was actually a fairly sunny morning, but that didn't matter to us. We were enjoying our rare, precious moment at an in-person event, conversing about summer, school, and whatnot.

In each backpack were notebooks, paper, and folders. Definitely reminds me of what I still need to get this fall semester! Who knew they were still necessary for virtual learning! Also in each backpack were papers with Kiwanis meeting details on them. Quite interesting, it appears like they're instilling the Kiwanis spirit into these families early on, trying to recruit those kids at a young age!

## **PALOLO CHINESE HOME CARDS**

*Rachel Lu, 'Iolani School | D22H*

In the midst of the coronavirus pandemic, finding projects to do was a challenge at first, but our club soon found plenty of easy, at-home projects. Palolo Chinese Home is one of the many recipients of the handmade cards that 'Iolani Key Clubbers make. PCH accepts holiday cards, so I started working on these themed cards a little earlier than usual to make sure that there will be enough when the holiday comes around. Specifically, I have been working on Thanksgiving cards, which come in a variety of styles like the traditional turkey drawing, autumn-colored wreaths, a weaved/plaid style (that is actually made out of strips of paper), and more. These cards have a design on the front, short message in the back, and a blank inside for PCH's discretion. In addition to the basic tools for drawing (eg: colored pencils, markers), I also used origami paper for layering/weaving and foam stickers for a 3D effect. Such a simple gift has the power to bring joy and happiness, thus I hope that those who receive these cards will be able to experience that.

## **MASK MAKING**

*Andre Valladares, Tesoro | D04S*

Spotlighting the widespread need for reusable masks, Key Club officers Amanda Clark, Lauren Sieve, Olivia Sieve, and Andre Valladares hand-made reusable masks! At this event, they sewed, cut, and measured a multitude of masks and scrunchies! These masks have designs and patterns of all kinds! Pastel pink colored fabric embellished with sweet flowers, with an accompanying scrunchie, is just one of the designs created by Amanda Clark and Lauren Sieve! They also have Kiwanis, Division 04 South, and even CNH themed masks! With all these masks, the officers put forward time and effort at this event in order to supply their future mask sale! This mask sale's objective is to raise and donate funds to PTP, while also providing others with cute masks! With such a broad variety of designs and colors, it hopes to sell out of these masks for PTP!

## COOKING AND BAKING

*Jerard Cabeguin, Coronado | D28E*

This was one of the first times that I have cooked waffles! It was an interesting experience because I created the batter and used the waffle maker all on my own. I decided to make cinnamon waffles. I made about 16 giant waffle squares but that was okay because in the end, my family loved my waffles and wanted me to make more every morning.

## BEACH CLEANUP

*Aiyana Nambiar, Canyon Crest | D37S*

Key clubbers of Canyon Crest Academy and Mt. Carmel collaborated to clean up local beaches like Torrey Pines, Powerhouse, and Fletcher's Cove. While being mindful of COVID-19, the key clubbers wore gloves and masks and also socially distanced. With the right safety precautions many key clubbers took part in this event to help keep our environment clean and safe. This service project gave key clubbers the opportunity to give back to their community while having fun with friends. Despite the circumstances, everyone still managed to have a good time while cleaning up the beaches.

service.
