RDS AWARDS ARCHIVE

- message from your editor.

• New Years, bees!

Last year was a wild ride. With the new year finally in place, it's time to think positively and to come up with goals for ourselves. Try your best to follow through with your new year's resolutions! Make the most of **your** year. Take time this month to self-reflect; what should you improve on this year? The new semester is rolling around, so make sure to build a good base for your grades and to continue trying your best! Remember, **your best is enough.**

New year also marks the near of the end of our term. With spring break around the corner, keep an eye out for your next LTG election dates! Keep in mind that officer elections and applications may be coming up as well, so make sure to show initiative! Shadow an officer, ask for advice, attend service events, and display the four core values: **leadership, character building, caring, and compassion.** A new term signifies new beginnings, so make sure to continue growing out of your shell.

DCON is approaching closer as we speak! While we don't exactly know if it's going to be in-person or not, be sure to safely social distance with your masks on so we can keep others safe while increasing our chances of having an in-person DCON! By wearing a mask, you can save lives.

Good luck to all the seniors awaiting regular college application decisions! No matter what the outcome, your journey doesn't stop here. Persistence is key! As for everyone else, good luck on your college endeavors and remember to be your best self. I'll see you around,

Messages from your executive

Governor Daniel Min

Hello CNH!

The new year is finally upon us! I hope you have all made your new year resolutions and plan to stick to them to the end of the new year. ***Write down your resolutions and no matter how unmotivated you may feel, stick with it until it has become a staple in your life.***

Make sure to reflect upon this past year and think about all your incredible accomplishments. It may be easy to be negative and down about yourself, but you have accomplished a lot. Getting through 2020 is an accomplishment, and you should be proud of it.

Also, remember that it is always a great time to serve. Many people lack the holiday spirit and may need somebody besides them. If you have the time, I highly encourage you to reach out to somebody and check upon them. It could end up being the highlight of someone's day, and it is bound to leave a lasting impact. You never know what others could be going through, and even if they are doing completely fine, everyone appreciates someone checking in on them.

Looking back on this year myself, I have to say there were many things that I am not proud of. I had not fixed my sleep schedule, continued to procrastinate, and stopped being consistent in my good habits. However, it is always better to look forward than backward. I will be a version of myself that I can be proud of, and I know every single one of you will as well.

Thank you, CNH, for all the tremendous service you have done throughout the past year. You have served like no other, and I am honored every day to serve as your District Governor. Please remember I am always here if you need someone and I hope to see you all soon!

Secretary

Happy New Year, Icy Bees!

2021 is finally upon us! 2020 was a whirlwind rollercoaster I hope we can all agree on. I am happy to be saying farewell to 2020 and hello to 2021. Although the clock has struck midnight, 2021 doesn't guarantee anything. We have seen so much change with everything drastic and sudden, but I do believe that there is still hope. What's in store for the future? I am not sure, but I do know there is a door that is always open. As the new year begins, remember we should never knock on that door!

I wanted to first tell you all that I am so grateful for all of you bees for serving our community throughout this on-going pandemic. I am so grateful for all the hard work you all are doing phenominal. I am so grateful for your best through these challenges. I am so grateful for being apart of my 2021 team. I am so grateful for the rest of our story to come.

I hope you all have a wonderful new year, and you all have a happy new year, and happy 2021, and you all have the goals you have set for yourselves.

Thank you for all that you do! If you ever dont ever hesitate to reach out to me or anything! I always here for you.

Grace Yim

20 has been the craziest year ever been on and I say farewell to such a tough year ticking to January 1st. While there may not be any magical changes in store, physically getting better and moving forward gives new hope for the future. Opportunity is a blessing for us, its important to never turn our backs on opportunity.

How proud I am of all the work being done above and beyond during the pandemic. **With our members working at 256,090.41 hours,** our members continuing to do great things even in difficult times. Thank you to all the members of Key Club in 2020, and I cant wait for everyone to continue in 2021.

A wonderful start to the new year! I hope everyone has a prosperous, successful, and healthy year. Let's all achieve all the goals we set for ourselves!

You do always, and please don't hesitate to reach out to me if you need anything! I'm here for you all! <3

Treasurer Yena Suh

What's Poppin' CNH!

I hope you have all enjoyed the holidays and start off 2021 with a fresh start! It's amazing to think that we are already just 4 months away from District Convention, or the end of the 2020-2021 term. Let's finish off these 4 months strong and here's some ways we can do that!

Please continue fundraising for our preferred charities, especially the **Pediatric Trauma Program**, in order to make more progress towards our district goal. I have already been impressed time and time again with the tremendous funds raised this term, but there's still a few months ahead of us.

If your club has any new members or if you are a new member yourself, please make sure to **pay membership dues and become an official new member of Key Club**. This will also help with our district membership goal! Remember that the new on-time dues deadline is February 1st and all clubs who do not pay by this deadline will be delinquent. Along with paying for new dues, make sure to engage with new members as much as possible!

Lastly, make sure you apply for district and division contests to be properly recognized for all your hard work this term. There are so many ways you can be recognized from the **CNH Member Recognition Program (MRP) to officer Distinguished awards**. Speak to your Lieutenant Governor or Club President as soon as possible to find which awards you could apply for!

I hope 2021 is a wonderful year for everyone and let's make the best of these upcoming months! Please let me know if you have any questions!

INTERNATIONAL

Trustee **EMMA CHANG**

Happy New Year CNH!

With 2020 behind us, it's time to set goals and start a new chapter with our friends and family. I know it's hard to think of New Year's Resolutions right now, but I encourage you to face 2021 with an open mind and your best foot forward. Whether it be in Key Club, school, or anything else, take every opportunity you can to better yourself and everyone around you.

The beginning of the new year also means that we are quickly approaching the end of the 2020-2021 term! After being elected almost sixth months ago at SLC, I've had the chance to meet so many of you at training conferences and club meetings. Don't forget to start thinking about what leadership position you want to run for in the next term! The passion to serve and determination is all you need to be a leader so don't be afraid to get out of your comfort zone next term. Speaking of elections, the I-Board is working hard to prepare election policies for International Convention, revise the Strategic Plan, and oversee planning for District Conventions around the world. If you haven't seen it, our sistrict, MissFloCal, is hosting a pen-pal program where you can make a new friend from CNH,

Florida, or LaMissTenn! Sign-ups will close in Mid-January, so be sure to sign up NOW at tinyurl.com/missflocalpenpals.

Finally, a thank you for your unwavering dedication to service throughout these uncertain times. Although this isn't close to the term we hoped for, it has definitely been one to remember. I wish you all the best and hope that 2021 brings you more opportunities to learn and grow! If you have any questions or want to talk, feel free to reach out to me!

Partners

Thirst Project hopes to educate the next generation by arming students with information about how they can be a part of social change, make a difference and encourage others to join in the effort.

Landscape Structures (LSI) has joined Kiwanis International as a vision partner to bring play to communities across the globe. LSI is proud to provide high-quality commercial playground equipment and planning consultation services that reflect the high degree of integrity that Kiwanis clubs expect.

Nickelodeon currently presents two major campaigns each year that encourage action in kids globally. Worldwide Day of Play reinforces Nickelodeon's mission to make the world a more playful place by leading active, playful events across the country. Nickelodeon's Get Dirty campaign seeks to educate kids, families and teachers about what they can do to help protect the planet in fun, mindful ways.

The U.S. Army empowers tomorrow's leaders by offering advanced schooling for today's top careers. Not only that, programs like the Reserve Officer Training Corps (ROTC) and March2Success.com allow students to go to college debt free and excel in the classroom with helpful academic resources.

Up with People strives to develop a sense of social responsibility in the participants through hands on community service. Service projects are integrated into each city visited during the semester. By volunteering to meet the specific needs of each community, participants develop insight into how different cultures address social and political challenges.

Squads Abroad is a 501c3 international development organization that provides Key Club members with affordable service opportunities to volunteer virtually from home or abroad to make a meaningful impact in under-served communities through Health, Education, STEM or Business focused programming.

Kiwanis Gives Online is powered by Access Development, a team-friendly crowdfunding platform just for Key Club. It specializes in helping your club achieve its fundraising goals through a convenient turnkey, online fundraising service. Kiwanis Gives Online not only creates and manages your entire campaign(s), but also provides a reward to anyone making a donation.

Vision Partners

National Partners

Preferred Charities

Members work together by sponsoring fundraising events and conducting service projects at their local children's hospitals. Contact your local CMN hospital and invite a representative to a club meeting to share ideas and create a partnership.

Since the 1940s, Key Clubs have worked with March of Dimes to make a positive impact in the lives of babies everywhere. Today, Kiwanis members continue that culture of service by supporting the March of Dimes all year long by hosting service projects, raising funds and educating communities about the crisis of preterm birth.

UNICEF is the only organization of the United Nations dedicated exclusively to children. Working with other United Nations bodies, governments and non-governmental organizations, UNICEF helps to provide for children's needs in more than 150 developing countries through community-based services in primary health care, basic education and safe water and sanitation.

Collaborative Partners

K Corps is Kiwanis International's youth exchange program for Key Clubbers. It's a great opportunity to experience a unique culture, provide service, make lifelong friends, and see spectacular sights half a world away! Participants are hosted by Japanese families, and scholarship opportunities are available.

Project Happiness inspires and empowers club members to create greater happiness within themselves and their communities addressing the bullying issue at its core. The Key Club Guide to Project Happiness shares exercises, discussions, games and tools based on Neuroscience, Positive Psychology and Mindfulness to re-wire the brain for happiness. Why does happiness matter? Happier people enjoy life.

Past DCON Experiences

WHY DO YOU LOVE DCON?

Without a doubt, DCON was one of the most important events in my four years that pushed me to pursue higher leadership in Key Club. I was inspired by all the amazing Key Clubbers from around the district taking the initiative to learn how to better serve their community and welcome one another with open arms. It really puts your work into perspective and by meeting so many different people, I could clearly see us achieving any goal we set our minds to.

- Lia Busby, D15E

DCON gave me the opportunity to interact with so many amazing individuals I never would have gotten the chance to meet! It was super heartwarming to celebrate everyone's accomplishments from the term as well. Overall, it was a great experience as I was able to bond with people from my division and region and grew a closer connection to Key Club and what we stand for!

- Julie Phan, D04W

My very first DCON was DCON 2019 in Ontario. It was nothing short of magical. Before then, I had only been exposed to people within my division and was pretty comfortable in my own little bubble. However, after attending I was able to meet so many new people during the convention and introduced me to so many different worlds. The general sessions were so grand and it was amazing to see so much spirit and energy at a convention.

- Daniel Min, D35E

CNH | KEY CLUB

Past DCON Experiences

WHAT DO YOU LOVE ABOUT DCON?

I attended my first District Convention in April 2019. With a passion for obtaining an executive position, I saw District Convention as an amazing networking opportunity. Through the entirety of the weekend, I was able to expand my knowledge on topics from public speaking to effective leadership. Seeing my best friend being installed as LTG was priceless. DCON ignited goals towards serving my community as well as connected me with some of my closest friends.

- Vivian Du, D04N

District Convention is one of the most memorable moments of the term! You have the chance to meet people from all around the district and interact with each and every one of them. I had the opportunity to walk on stage and it was an unforgettable moment. There were also many workshops that expanded my perspective about leadership. I can't wait for my last DCON and making everlasting memories!

- April Nguyen, D15N

I love DCON because of the memorable experiences that I gain at leadership workshops and general sessions that are filled with so much spirit and fun. Not only that, but I got to build new friendships with Key Clubbers from all over the CNH District that I didn't know before. DCON is a truly memorable event that I will forever cherish in my Key Club journey.

- Iris Zhao, D15N

CNH CHILDREN'S FUND

PARTNER HOSPITAL PROGRAMS

The Foundation invites our partner hospitals to apply for grants for unfunded needs related directly to pediatric trauma and injury prevention.

Kapi'olani Children's Hospital

Burns are the second leading cause of pediatric trauma injuries and emergency room visits in Hawaii. **With the help of the CNH Children's Funds, Kapi'olani Children's Hospital was able to become Hawaii's first comprehensive pediatric burn program.** This program allowed children under the age of 18 to receive burn care and extended protocols and education on pediatric burn care to medical centers statewide.

Rady Children's Hospital

The CNH Children's Fund provided a \$12,500 grant to Rady Children's Hospital for the development and implementation of a mobile Safety Store for injury prevention. The Safety Store provides safety products and counseling to families who are in need of assistance. It also provides two safety classes, "Safe Beginnings" for new and expectant parents of children up to 3 years of age; and "Safe Start" which provides education to preschool aged children ages 4-6.

In 2011, the foundation provided another grant to implement a visiting nurse program that would continue education training for public health nurses employed by the County of San Diego Health and Human Services.

In 2013, another grant was provided for a Safe N Sound Safety Kiosk that would provide a self-serve computer station for parents to access information on safety and injury prevention for children born to 4 years of age.

In 2020, Rady's hospital received a grant to reduce the number of vehicle related fatalities by expanding the car seat safety instructions event. With the help of local Kiwanis volunteers, they are able to provide car seat safety events.

Valley Children's Hospital

The CNH Children's Fund has provided an annual grant to the Seat Check Saturday since 2014. The purpose of this program was to educate and prevent Motor vehicle collisions injuries. With the help of the CNH Children's Funds, the hospital is able to partner with other organizations and provide continuous training for safety technicians. The hospital is also able to donate car seats to low income families and make sure that car seats of attendees who attend the Seat Check Saturday are installed properly and are certified.

#MyKeyClubStory

Key Club: Hilo High School
Grade: 11th
Position: V.P. of Service

Why did you join Key Club?

I joined key club to get a better sense of leadership and give back to our community through service projects. Not only does Key Club do things for our own communities but also for those around the globe.

What was your Key Club moment?

I think my Key Club moment was running for VP of service and getting the position. When becoming VP of service, my responsibility of being a member became more important as I was now an officer as well. I realized that if I want to give back to the community, I must put in the work while also encouraging other members to do the same, without wanting anything in return.

What is your favorite Key Club memory?

My favorite Key Club memory was participating in the K-Family Christmas Shoebox project. The K-Family Christmas Shoebox taught me to be fortunate for everything I have in life, and warmed my heart; being able to give back to children during the holidays and put smiles on their faces!

March Of Dimes

Through research, community service, education, and advocacy efforts March of Dimes aims to improve the health of babies. The goal is to prevent birth defects, premature birth, and infant mortality.

Why is it important?

It is important to raise public awareness in order to improve birth outcomes. Birth defects are the leading cause of death in the first year of life. Every child deserves an opportunity to live a long and healthy life.

How can Key Club help?

You can start by learning more about the mission of March of Dimes in order to plan interactive activities and fundraisers. A daily service activity is to walk or run using the Charity Miles app and turn your miles into charity for March of Dimes.

**November is
March of Dimes
Prematurity
Awareness Month!**

**Fun Fact:
March of Dimes
was founded in
1938 by president
FDR**

March for Babies

This past year, due to the COVID-19 pandemic, the annual March for Babies was held virtually! By completing a one mile walk or run, friends and families were able to celebrate the neonatal intensive care unit.

CONCLAVE PROCEDURES

what is conclave?

Conclave is an annual election hosted by the Lieutenant Governor of your respective Division to elect the successor of next term. All candidates will give a three to five minute speech outlining their qualifications, goals, and actions for their term as Lieutenant Governor. This is followed by a four minute caucus session where representing delegates and Key Club members in the audience can ask each candidate questions related to their position as Lieutenant Governor. Adults in the audience may not ask any questions. Afterwards, delegates will have the chance to vote for whoever they deem most fit for the position.

delegates

campaign materials

voting & ballots

Each club in good standing is permitted to have two delegates at Conclave. They will be responsible for casting ballots to vote for the subsequent Lieutenant Governor. Delegates shall vote via a 'secret ballot' once speeches & questions have commenced. Ballots should have the option of 'no confidence' as blank ballots shall not be counted.

Campaigning of any sort and at any point of the election process is not allowed and can result in disqualification. The only campaign material that is permitted is a single double-sided or two single-sided pages of the candidate's literature. The literature will include the candidate's platform as well as resumé. This material is to be distributed during the time of Conclave, only.

A quorum (50% or more) of clubs in good standing must be present at Conclave. As mentioned earlier, two delegates will come from each club to represent. The candidate with a majority (50% +1) vote in the secret ballot shall be declared the winner. In the event of a tie, the Lieutenant Governor shall cast a vote, as they shall serve as the tiebreaker.

caucus

nominating conference

Once the candidate has given their speech, the next portion of Conclave transitions into the caucus session. Delegates and Key Club members in the audience have the chance to ask the prospective Lieutenant Governor questions regarding their platform, qualifications, goals, etc. They may not ask any personal questions or questions that do not pertain to Key Club. Adults may not ask questions.

In the event that there are two or more candidates running for office, a nominating conference will take place. Here, the two candidates who received the most votes will advance to the second round where another set of speeches and caucus session will occur. Delegates will cast another vote to declare the final winner.

INTERNATIONAL CANDIDATE Training Conference

International Candidate Training Conference is an online teleconference that is mandatory for any candidate interested in running for an International position at ICON 2021.

This event will be happening on Tuesday, February 4th, 2021 at 6:00 PST. Register on the CNH Cyberkey by the deadline Monday, January 20th, 2020.

“Serving on the International Board has been unlike anything I’ve done during my Key Club journey. As a past District Governor, I had a lot of experience working with the I-Board after serving on the I-Council and going into my senior year, it felt only natural to run for IT. By far, my favorite experience has been getting to know my governors and district boards! Although I haven’t had the chance to visit my districts, I love getting invited to speak at leadership conferences and making connections with the members I serve. Transitioning from the district to international level truly opened my eyes to the endless possibilities of leadership and the immeasurable impacts of service.”

HABITAT FOR HUMANITY DIVISION

This November, we had our first ever virtual half marathon! It was a HALF hour long race that included 100+ residents. Despite the weather being very cold, the participants were very enthusiastic! Blankets were provided for those who wanted them. Kiwanis members and their families, along with the Garment Project, helped to make this wonderful event a success! We had a great virtual event last time! We would like to thank everyone who appreciated our efforts and supported us. We appreciate your support and hope to see you all again next year!

FOR HUMANITY 12 WEST, KHANH LE

Branham Key Club has stayed active with in person and virtual events! One of the most events this month was Habitat for Humanity, where our members worked for SEVEN AND A half hours! In this event, volunteers helped set up emergency sleeping camps for local homeless people. Despite the long hours and heavy work, this event proved to be worthwhile and our members were content with their work! Next, another in person event that we participated in was No Sew Blankets with Kiwanis! Along with many other key clubbers in our district, Branham Key Club helped make blankets for victims of sexual violence. All blankets that were made went to The Grateful Project, where they will distribute them to women in hospitals. This event served as a great opportunity to connect with fellow key clubbers and a great bonding experience! As for Color-a-Smile, we have decided to participate in Color-a-Smile again, because turnout was so great last year! Just like before, we are expecting many participants for this event, which is always a success (:). Due to the stay at home order coming up, Branham Key Club has unfortunately had to cancel many of our future events, but we are excited to think of ways to work around this so that we can continue to provide service safely and effectively!

BEACH CLEANUP DIVISION 04 WEST, KAITLYN PHAM

This month, we decided to have a new in-person beach cleanup! We all came out to Huntington Beach the morning just to help pick up any trash we saw. The beach was empty, there was surprisingly still a lot along the shore. The 8 of us put on our gloves, grabbed trash bags, and got to work. We decided to walk miles across the sand and pick up as much trash as we could. We saw so many cute birds and the sound of the waves was very peaceful. It was a little saddening to see so much trash on the beach, but I know that it could harm the precious animals on the beach. This made me want to help out more in any way that I can.

Now, I can see how bad it is to not pick up after yourself. Even just a small piece of trash can cause great damage to the environment. Everyone's small pieces will add up and eventually will affect the wildlife on the beach and in the ocean. I hope that everyone can all make a difference, starting from even the smallest step: picking up your own trash. This experience was a great way to spend time with my friends, but it also taught me a valuable lesson. I hope that we will be able to do more cleanups, whether at the beach or wetlands, or even at a park. I think that it can really make a huge impact in our community.

CARE PACKAGE DECORATING DIVISION 37 SOUTH, ABBY LEE

I arrived at Hilltop Park at 1 PM with my items and materials. I brought a blanket and art supplies in order to decorate. Since Haley already packaged my items (we bought them together), I helped Aly and Angie with their packages. I wrote encouraging and positive messages on the bags, such as "Take care!" and "Have a good day!"

It was a great way to get community service hours while getting fresh air outside. Since we chose to do them as a group, we made sure to stay socially distanced and wore masks due to the pandemic.

an event: a beach clean-up early in the night. Although the amount of trash was minimal, we still did our best to collect what we could. The weather was so nice, we decided to go to the beach. I hope you all can make it!

ourselves. We caused damage. This will kill all of us. We are here to prove that we are the smallest. We are so excited to work with all of you. We hope that by working together, we can make a difference.

ELECTION NIGHT DIVISION 12 EAST, FRANK PHAM

Volunteers unloaded bags of ballots from cars and verified legal information on them. We worked in groups of 5 and got to really know the people in our team the whole time. Overall, the election night fundraiser volunteer event was very laidback and we had a super fun time. It was nice to see so many general members coming out to volunteer again!
