JUNE

THE OFFICIAL CNH
DISTRICT NEWSLETTER

MESSAGE FROM YOUR EDITOR.

Happy June, busy bees!

If you don't already know, my name is Nancy Duong, and I'll be serving as your next **District News Editor** for the 2020-2021 term! Words can't describe how incredibly ecstatic I am to not only serve on the CNH Board, but to also hopefully inspire you guys to strive for change and to better your communities. Let's make this term an unforgettable one!

To introduce myself a little further, I'm from **Division 12 East, Region 17** in San Jose! I served as a hero in my home club since freshman year and I used to be my club's publicist and Vice President of Service and my division's news editor! In my free time, I like chatting with my friends, swimming, and baking!

Unfortunately, while we are still in **quarantine** during this pandemic, it's difficult to go out to service events and interact with others face to face, but that doesn't mean that we can't make an impact! **Frontline medical workers are working countless hours daily to save lives and endure massive amounts of stress and pain**, so one thing you can do is **to spread love to all of the medical workers**. You can do this by sending cards, making videos, and more! Get creative with it, I believe in you.

Don't forget to take time **to take care of yourself** and to **explore any new hobbies you're interested in!** Thank you for reading the first issue of The Buzzing Post and feel free to contact me about anything! I'm open to making new friends!

DANIEL MIN

Hello CNH!

My name is Daniel Min and I will be serving you as your District Governor for the 2020-2021 term. I reside within Division 35 East which is a part of Region 13. I am extremely excited to be serving you all and I cannot wait to see all that we will accomplish!

This term, one of my biggest goals is to reverse our current trend of membership decline. Our membership goal this term is 38,000 members which is around a 10% increase of members per club. All membership recruitment takes place on the club level and that is why I want to make sure that all clubs are given the proper resources to succeed. I want to make sure the clubs can succeed, and I will make sure to work tirelessly to make this happen.

I know that we have a hard term ahead of us but if you're reading this right now, I encourage you to use this

quarantine as a way to be productive rather than as an excuse to be lazy. Although the Netflix shows or games are tempting, remember that this is the only time where we will have this much free time and we should all take advantage of it to further grow ourselves.

I really look forward to this **bodacious** term and I am so honored to be able to serve all of you. I also love making new friends and meeting new people so feel free to message me at any time!

I love you CNH and I cannot wait to see your beautiful faces after this quarantine!

Daniel / **Sincerely,**
Daniel Min

GRACE YIM

What's Buzzin' Bees?

My name is Grace Yim, and I have the immense honor of serving YOU as your District Secretary for the 2020-2021 term! Words cannot express how excited I am to be serving you all, and I can't wait to see all that we accomplish this term. I have not yet formally introduced myself to you, so here are some random facts about me! I was born and raised in Reno, Nevada, and I am a 2nd generation Korean-American. I have a slight addiction to tea...anything from yerba mate to green tea, I'm a huge fan and can't go a day without it. In my free time, I enjoy watching pro basketball games, watching Giant Peng TV, or listening to music!

Last term, I served as Lieutenant Governor for the Division 23 Yetis, and I am beyond excited to be serving on District Board once again as District Secretary. Not many people know this about me, but I have dreamed of serving as District Secretary since my freshman year, and I feel so incredibly blessed to have had

my dream come true. Our district goals this term are \$260,000 for PTP, 900,000 service hours, and 38,000 dues-paid members. Although these goals may be a little ambitious considering the pandemic we are currently in, we firmly believe that we will be able to reach these goals through our perseverance and commitment to serve our homes, schools, and communities and by accurately documenting hours of service.

I am looking forward to a year full of service, leadership, and growth. I hope you all are staying safe during these difficult times, and please don't be afraid to reach out to me or the other execs if you ever need anything. I hope to see you all very soon!

Grace / **Buzzing with service,**

YENA SUH

What's Poppin' Bees!

My name is Yena Suh and I have the utmost honor of serving the CNH Bees as District Treasurer for the 2020-2021 term! I have previously served as Division 30 North's Lieutenant Governor in Region 3, or the Orange County area. I am incredibly excited to meet fellow members and work with club treasurers throughout the year.

During these past few months, I was both touched and impressed by the service Key Club has provided to countless communities despite this pandemic. I hope you all stay home and stay safe during these times so that our usual lives can soon resume, along with in-person Key Club events. Like you, I also genuinely miss seeing everyone's faces at events and hope I will have the opportunity to do so soon. In the meantime,

please reach out to me if you have any questions, comments, or concerns, and I would love to get to know you digitally.

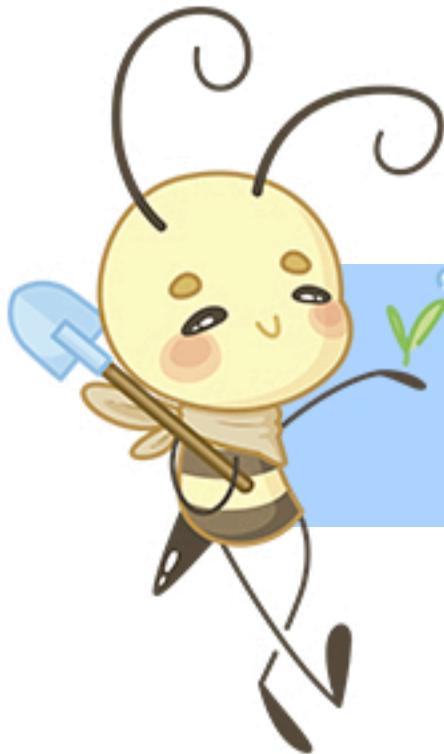

Furthermore, I would like to sincerely congratulate any graduating seniors reading this message. Thank you for your service to Key Club during your high school journey and I wish you the best of luck on all your future endeavors! I hope that you all pursue service opportunities in other branches of our Kiwanis Family by joining Circle-K or Kiwanis later on. For the returning Key Club members, let's join together to make this term the peak of CNH! I cannot wait to see all that we will accomplish!

With a **passion to serve,**

Yena Suh

LIEUTENANT GOVERNOR KICKOFF 2020

| 7 LTG KICKOFF

"From the start of my journey to becoming Lieutenant Governor, I had unintentionally chosen to work with my future sister division's Lt. G. Division 16 East's Marcus McNulty. Together we shared our hopes and aspirations in improving our divisions. We had worked relentlessly to prepare each other for our conclave. We went to one of our favorite boba shops everyday for 2-3 weeks straight because we were so driven to make sure that we seized the opportunity to represent and serve our division at a district level. Eventually our hard work paid off and we achieved our goals together! We helped each other grow as leaders and members of our communities. I am so glad that I get to work with someone as dedicated and awesome as Marcus. Some goals I have this term are to increase recognition of my division, raise \$2000 towards PTP, and to serve 1800 hours as a division. Despite our unfortunate circumstances regarding COVID-19, I am excited and confident that this term will prove us to be truly invincible!"

- D16W Lieutenant Governor, **Jannika Reyes**

"I remember the first Key Club meeting I ever attended my Freshman year. The gym was packed with at least 100 students and our Lieutenant Governor (who happened to go to my school) introduced herself to the room. She was super welcoming and continued to talk about this amazing organization. I knew right away that I wanted to be in her shoes one day. My Key Club journey didn't start out perfect as I actually lost the first appointed board position I ever ran for to my best friend. That literally crushed my freshman self esteem but I knew from there that I was to work my hardest to prove that I was something better. I ended up later serving as my club's visual designer, Treasurer, and President. My last thing was to run for D37S Lieutenant Governor which was by far the most nerve racking experience i've ever had. When they announced that I won, I finally realized that my hard work and dedication didn't go to waste but it was time to serve my strengths towards a larger level. My three major goals for this term are 600 dues paid members, 7,000 service hours, and \$3500 raised for PTP. I really hope to overall just improve the inner-workings of all my clubs so they have a foundation to go off of in the future. Division 37 South has had my heart since the day I walked into a Key Club meeting my Freshman year and I hope my members can experience the same."

- D37S Lieutenant Governor, **Haley Tran**

"There is truly no experience like serving others. Being elected LTG means different things for different people. For me, I get the honor to serve the most heart-warming division that never ceases to amaze me. Freshman year. I can vividly recall when I attended my first ever DCM. I didn't even know what an "LTG" or a "DCM" was. But that day, I realized that regardless of my identity, I had a second family. To this day, I still question what an LTG truly is. Whether that's submitting MRFs or preparing slides for meetings, an LTG dedicates their all to others. This instilled a passion within me to lead others and redefine the idea of service. Service isn't just volunteering at the Rose Floats - it's choosing to put others first. That drive to serve others impacted me to run for LTG. I wanted to be the change in people. Even my own. I desired to give back to the community that raised me from the shy student to the boy who aspired to inspire. As we embark on a new journey, I can say with certainty that nothing ever lasts. Attend the next event, as it may be the last. Regardless of positions, we're all members at heart. Key Club isn't all about the titles, but how we treat one another. How we serve one another. Being lonely at events can be scary. So, as I was once told, "May I join you?". Let's redefine service. Not alone, but together."

- Division 4 East Lieutenant Governor, **Vincent Vu**

JUNE SPOTLIGHT:

FOUR CORE VALUES

caring · leadership · inclusiveness

CHARACTER BUILDING

“requiring effort or endurance to a degree that strengthens or improves a person's character.”

“My freshman year, I would have never thought that I would be given the honor to serve my division's members and the opportunity to represent them at the district level. Throughout my years in Key Club, the relationships I have formed and the leadership experience I have gained has built my character allowing me to serve my division with confidence.

Character building is emphasized as a Key Club core value as collaboration, integrity, and goodwill play an integral role in building the character of high school students. Key Club allows individuals to build their character as they learn goodwill through service, collaboration and integrity through leadership opportunities.

Character building has allowed me to go from being a timid, shy member to a responsible, resilient leader. Through character building, I have learned how to create long lasting relationships with adults and my fellow Key Clubbers. I have become an individual that positively contributes to the community. Most importantly, Key Club has allowed me to blossom into a reliable, trustworthy leader and friend.”

- Mahima Kodavati, Division 12 South Lieutenant Governor

QUARANTINE ACTIVITIES

BROWN BUTTER CHOCOLATE CHIP COOKIES

Want to make something yummy & easy while you have nothing to do in quarantine? Here's one of your District News Editor's favorite recipes to make!

INGREDIENTS

makes about 10

- 1/2 cup (1 stick) unsalted butter
- 1 cup all purpose flour
- 1/2 teaspoon baking soda
- pinch of salt
- 3/4 cup (packed) brown sugar
- 1/4 cup granulated sugar
- 1 large (room temperature) egg
- 1 teaspoon vanilla extract
- 8 oz of semisweet chocolate bars, chopped OR semisweet chocolate chips
- (optional) sea salt (for garnishing on top)

INSTRUCTIONS

1. Cook butter over medium heat stirring frequently until toasted (~5-7min). Let cool.
2. Combine brown butter with the sugars.
3. Beat in the egg and vanilla.
4. In a separate bowl, combine the dry ingredients (flour, baking soda, and salt)
5. Combine the wet ingredients with the dry.
6. Fold in the chocolate chunks/chips.
7. Refrigerate dough for at least 30 minutes (the longer it rests, the more flavor it will have, can store for 3 days).
8. Preheat oven to 350 degrees fahrenheit. Bake for about 10-15 minutes, or until edges are firm while the center is soft.
9. Let cool and sprinkle sea salt on top.

spotlight on service program

HEALTH and SAFETY

what is the spotlight on service program?

The CNH Spotlight on Service Program was created by the Service Projects Committee to promote International and District initiatives as well as to encourage active participation with organizations/initiatives. Monthly guides include tips and ideas on how clubs can complete the monthly service initiatives. The program also gives clubs the opportunity to showcase their unique service projects that positively impact their home, school, and community. The Spotlight on Service Program would love to receive project submissions from the District to showcase projects from the previous month in the District Newsletter.

Clubs can submit to the form in order to receive recognition, which can be found under the "Spotlight on Service Program" page under the "Projects" tab on the CNH CyberKey. Pictures can be sent to cnhkc.sp@gmail.com. All submissions are due on the fifth of the following month by 6:00 PM (PST) or 3:00 PM (HST). One or more clubs are featured every month in the District Newsletter in recognition of any outstanding service project!

precautions

- Try to follow the stay-at-home order as much as possible
- Make sure to practice social distancing, stay 6 feet away from others
- Wash your hands often
- Wear a facemask when going to crowded places
- Avoid cruise and air travel as much as possible
- Quarantine/stay away from those who are sick
- Do not touch your nose, mouth, or eyes without clean hands

service projects

- Make face masks and donate them to JoAnns or local senior homes
- Raise money for your charity of choice by walking/running with the app, "Charity Miles"
- Create thank you cards to show support for frontline workers
- Fold paper cranes for local children's hospitals
- Organize a "Six Feet Apart Supplies Project," volunteers deliver groceries to people who are at a high risk for Covid-19

24 DIVISION RECOGNITION

Hello CNH bees!

Congratulations to all of our members, officers, clubs, and advisors for your continued service for your home, school, and community! Thank you for your amazing service and philanthropy during these harsh times. Keep up the amazing work bees! I hope to recognize you all again soon!

**CONGRATULATIONS,
BEES!**

INDEPENDENT MASK MAKING

Luis Solidum, Jefferson | D34N

During these trying times, my mother and I realized that many first responders and the general population are without proper protection against co vid 19. In response, Jefferson gave out the opportunity for 30 minutes per mask and as there is no limit to service previously set no limit on masks. I was able to make 210 Masks throughout the month, that will be donated to friends, family, and those who become at risk to COVID. To do service at such a harsh time in society truly feels good and I thoroughly enjoy it.

TEND A TREE TUESDAY

**Jacob Rice, Northwood
| D04C**

Division 4 Central's April service week was dubbed "VirUS Week" to emphasize the idea that although coronavirus has eliminated a lot of the means of communication and interaction people have with their friends and family, students can still stay connected and

support each other from afar. For "Tend a Tree Tuesday", Key Clubbers went outside to their lawns and backyards to do some garden work and keep their plants healthy. This service project was extended to house plants as well so more students could participate. Once thing this event highlighted was that although the coronavirus has brought plenty of grief and sadness to the world, one can see a silver lining in that pollution is decreasing significantly around the globe and plant life is thriving locally, bringing some extra life and energy to Key Clubbers' lives in these harsh and uncertain times.

ART DRIVE

Tedrick Santos, MHS

| Division 11

In the month of April, many schools worldwide were closed due to the global pandemic, COVID-19. Many volunteering events had to be postponed or even canceled and had members staying home for their own safety. However, certain people have gone above and beyond during these difficult times to express their support to their community. Karen Bergan, the sister of Morse High's own AP Art History teacher, worked around all these challenges and organized a local art drive. This drive focused on allowing students and other community members to show and express their full support to the first-responders who are currently putting their lives at risk.

Some of our very own Key Club members, such as Alan Cruz, Leilani Seang, and Arriana Bascos, took this opportunity and created artworks for nurses and doctors. When asked about how it must have felt to show support towards first responders, Alan replied, "I am incredibly grateful to be able to be part of this project. All of us are home during this quarantine and now more than ever we need to give back to our community. By being part of this project, I was not only able to express my support for these heroes, but also take some time to explore my creative side. I believe it is crucial to take a step back and invest some time in ourselves to focus on our health."

Adding on, Leilani answered, "Since we're in quarantine, I feel as though I've lost a bit of connection with humanity, so I'm very grateful that I was given the opportunity to give back and support first responders. It gives me a sense of relief that I'm still contributing to the community because social distancing severed my ties with humanity and my abilities to give back." Lastly, our very own Key Club president - Arriana Bascos - stated "It felt so good making these thank you posters. Knowing that this little thank you card can make those nurses and doctors smile during these harsh times is such a great feeling and I'm glad I took part in that."

TWIN BANKS FOOD DRIVE

Morgan Biagi, Mira Loma | D44S

On April 29th, our club helped with Twin Lakes Food Bank collect donations. There was a truck, provided by the Twin Lakes Food Bank, in the parking lot at Community Bible Church in Folsom, where people could drive up and open their trunk, and volunteers would take the donations to the truck. This service event was approved by the Folsom Health/ Fire Department, so long as volunteers had masks and gloves, that way we stayed safe and limited the spread of the virus. There were over 2,000 lbs of food and drink donated that day.

The photo is from when the event was almost over, showing the inside of the truck from the food bank filled with can, boxes, etc.

SUPPORTING WRITE FOR CHANGE

Caiden Leipelt, Cupertino | D34S

Due to the COVID-19 pandemic, our division looked into different and creative ways to help the community, with the Stay-At-Home order implemented. As a team, we came up with the idea of having our division collaborate with Write to Change, an organization on our campus that helps the community by allowing students to write a letter of thanks to the communities essential workers. Cassidy Yin, created both of the promotional pictures down below, and after we posted to our social media platforms, we had our division create letters to the essential workers in our area. We believe that with this, we were able to help better our community by giving back to those who have given so much to us. We started May 6th, 2020, and as a division we continue to write to the essential workers

EARTH DAY PROJECT

Morgan Biagi, Mira Loma | D37W

On April 19th, Vista High Key Clubbers had a club meeting and decided to start an environmental project in honor of Earth Day. The project's purpose was to be able to find a way to save energy, water, or anything good for our earth. A few ways Key Clubbers were able to help while still adhering to social distancing rules is by collecting their recyclables, planting, pruning plants, and helping abandoned animals who got injured. During this project, more than 19 hours were spent helping our planet as a whole. This project was a huge success as we had a good number of participants.

SENIOR LIVING SUPERHERO DAY

Lana Nguyen, Clovis North | D05N

Despite being in quarantine, we have managed to stay busy with various volunteer activities for senior living facilities around town. One of our favorite activities was when we supported Sunrise Senior Living in their "Superhero Day" for their healthcare workers. They were planning on making a large board filled with supportive notes to honor and encourage their workers, and we got to contribute notes for it! It was really great to see our members contributing such positive words to their workers because previously we had only been sending to the residents. Our members obviously had loads of creativity... The notes included pictures, calligraphy, and superhero themed messages!

APPRECIATION FROM HOME

Chloe Salom, Hilo | D22M

During this difficult time, it is important that we all are there to support one another. As we know, our health care workers, first responders, and essential workers at this time are putting themselves at risk to help and do what they can to support us during this time. Even though we cannot help in the same way, we can help to relieve some emotional stress on these heros at the frontlines.

Hilo High School Students and Key Clubbers banded together in hopes to raise the spirits of those in our community and country who have voluntarily spent their time continuing to work on the frontlines. In this project, we made signs of appreciation for

these workers. These signs were shared through personal social media as well as being posted on the Hilo Hlgh School instagram account. In addition, posters were also sent to Pics4Providers in which they will be shared to hospitals across the country.

This project taught a valuable lesson of gratitude to all. These frontline workers are putting the lives of themselves and their families at risk to protect people they may have never met. This is true selfless service in which we should strive for. I encourage you all to help support these workers in anyways you can and show gratitude for all they do!
