MESSAGE FROM

What's the buzz, bees?

It's so surreal how we are now into the term. With February means that the weather will warm up and that we will have sunshine during the day.

Even if we are approaching the year at light speeds, we still need to maintain our New Year's resolutions to take care of ourselves. Especially with all the school and district contests, it's easy to forget about self-care. You work hard. Take some time to thoroughly wash your hair, do your entire skin care routine, and get a full 8 hours of sleep. You all deserve it!

Don't forget that DCON is coming up in just a few weeks! What the future holds for us is uncertain, but regardless if it is a virtual or in-person event, we get to celebrate and remember the hard work that we carried through the difficult times. The entirety of the KCI staff is extremely proud of you and your communities amidst the pandemic. Thank you for all that you do!

FROM YOUR EDITOR

ow three quarters rolling around, it hopefully start to see a little more

the end of the term d to remember to tutions and to also ially with elections y to get lost in our roughly wash your routine, and get a serve it!

coming up soon! still uncertain, but person DCON, we sce on all of our out even during of District Board is for serving your aemic. Thank you

To seniors: your college applications are done! Congratulations! Now that you've finished a big step in the college application process, don't forget about filling out your FAFSA and applying for scholarships. I know it may be stressful to think about college decisions, but just remember that you will be happy with where you are a few years from now. Good luck!

To new elects: congratulations on your new position! You deserve it after all of the passion and effort you displayed and I wish you the greatest of luck in the next term. It will surely be a wild ride, but you will love it, I promise. Make sure to focus on your goals and to always strive not for a perfect term, but a term with purpose and dedication. You will do amazing, and all of us believe in you!

Thank you for an amazing term so far, bees. Make sure to stay safe and to express love and gratitude to all of your loved ones this Valentine's Day.

GOVERNOR DANIEL

HELLO CNH!

There are less than 3 months left in this term! It is crazy to see how quickly time has flown. It felt like it was just yesterday when we had our online awards ceremony. With so little time left in this term, let us make sure to put our all into these next months and end off with a BANG.

Please remember that we are still in a membership crisis. After some long and difficult math, we have calculated that only 12 additional members is needed per club to reach our new membership goal of 30,000 members. Whether you are a member or an officer, you can help us reach this goal by reaching out to strangers, friends, and even family. The amount of benefits you get out of Key Club is well worth the small fee you pay every year.

I know it may be hard to function during a pandemic, but you are making it work. You have adapted to this

extremely difficult climate and are making it happen. You have served in countless ways, fundraised thousands for the Pediatric Trauma Program, and recruited more than any other district. You are truly phenomenal CNH, and I cannot wait to see all that we do in the remainder of our term.

Please remember that I am only a text or phone call away if you ever need anything. It is an honor to be serving you CNH, and let's make sure to finish this term off strong!

Daniel Min

District Governor
cnhkc.gov@gmail.com

TREASURER YENA

WHAT'S POPPIN' CNH!

Happy February! I hope you are all doing well and have submitted dues to meet the on-time dues deadline of February 1st. If the club you serve has not paid dues yet, please reach out to me for assistance! Remember, your club must be dues-paid to apply for scholarships and attend District Convention.

On another note, please make sure you are actively participating in district and division recognition contests! Officers, make sure to apply for Distinguished Officer awards and continue working on the e-portfolios. If you are a high school senior, make sure to also apply for scholarships as many deadlines are in February! Our past newsletters cover information on scholarships as provided by the Kiwanis Family and Foundation committee.

Lastly, I understand that several Conclaves have been

occurring, so congratulations to all our new Lieutenant Governor elects! I am confident you will all do a wonderful job at supporting and leading the divisions you serve, bringing CNH even more pride and success. While I love seeing the new generation of student leaders, it also makes me feel bittersweet in knowing our term is slowly coming to a close.

I know these last few months will fly by with a blink of an eye, so let's make the most of it! As always, please feel free to reach out to me for help!

Yena Suh

District Treasurer
cnhkc.treas@gmail.com

SECRETARY GRACE

WHAT'S BUZZIN' BEES!

I can't believe we are already at the last stretch of our term and slowly preparing for awards application season and District Convention!

As the end of the term nears, it's easy to begin to lose motivation in your Key Club responsibilities. I know to think about retirement is bittersweet, but keep in mind that you are still serving in the 2020-2021 term; let's all work hard until the end!

In the next few months, be sure to be on the lookout for Kiwanis Foundation Scholarship opportunities and also applying for the plethora of awards that CNH Key Club offers to outstanding, dedicated members like you all.

Although we only have $\frac{1}{4}$ of the term left, the execs are motivated more than ever to achieve our District Goals.

However, we can't do it without your help! Please continue to serve your communities, fundraise for PTP, and work to achieve our new goal of earning at least 12 members per club to solve our membership crisis. With this being my last year in Key Club, it will definitely be a bittersweet experience to close the door in this journey. Thank you for making my last year so memorable; I wouldn't have wanted to serve any other group of members than you guys! Thank you for all you always do, CNH, and Happy Valentine's!

Grace Yim

District Secretary

cnhkc.sec@gmail.com

INT'L TRUSTEE EMMA

WHAT'S POPPIN' BEES!

There are only TWO MONTHS left of the 2020-2021 term and I hope you are still working hard to serve your home, school, and community. After a year of Zoom fatigue and hours spent in front of the computer, it's more than okay to take a break and come back refreshed and ready to serve! The month of February always reminds me of the beginning of the end, with club elections and DCON registration keeping us busy. Although the term is ending, there is still plenty of time to make an impact and make a difference! For seniors, I'm excited for us to finish the term strong and pass on our leadership roles and guidance to the next officers.

Right now, the International Board is revising election policies for International Convention, finalizing the Strategic Plan, and helping plan for District Conventions around the world. If you are considering running for any

position, whether it be for your club, division, district, or even international, I encourage you to step out of your comfort zone and embrace your leadership potential. Feel free to reach out to me or Policies, International Business, and Elections Chair Ilene if you have any questions! As simple as it is, you never know until you try! Remember, the on-times dues deadline is February 1st, but dues can be submitted all year round.

Bees, we can't thank you enough for your selflessness and dedication to serve. You never fail to go above and beyond and I can't wait to see all that you will accomplish. Until next time!

Emma Chang

Int'l Trustee

emma.j.chang@keyclub.org

KEY CLUB INTERNATIONAL PARTNERSHIPS

KCI MAJOR EMPHASIS

"In 1946, the organization was challenged to build a program to bring together all Key Clubs and members to focus energies on making an international impact. This program is still followed today through the Major Emphasis: Children: Their Future, Our Focus."

To fulfill the Major Emphasis, Key Club International serves children in many ways. By working with Key Club International's partner organizations, Key Clubs serve children by aiding other organizations committed to serving children. Key Club International celebrates its three partnerships: UNICEF, March of Dimes, and Children's Miracle Network.

The Key Club service initiative is another element of the Major Emphasis and is created on a two-year basis. All of the hands-on service provided to children by Key Club International members is directed to a single area of need, to make a substantial impact."

FEBRUARY
SPOTLIGHT

FOUR COMMANDMENTS OF character building. lesson 4

CARE

"Displaying kindness and care."

How can I reach out to help?

If you notice that someone is feeling down, feel free to ask, "are you okay?" If you are comfortable. If not, try to simply engage in a conversation with them so that they aren't drowning in negative thoughts. Being by their side can greatly help and will let them know that you care.

Remember that everyone is different. Some will want to vent, others would want to sit in silence, and a few may simply want to be left alone. However, you always want to make sure they know you care.

How can I reach out for help?

There is nothing wrong with reaching out for help. It takes a lot of vulnerability to talk to someone about your feelings, whether it be your parents, or a trusted teacher.

Furthermore, there is always the option of getting help from a therapist if your feelings are causing you distress. They can be of great help in truly changing your perspective.

You are important and loved. There will always be people who care. Never give up.

JANUARY LIGHT: CORE VALUES

ING.

nd concern for others.”

*Being inclusive is
caring.*

In a large group setting, some members may struggle to contribute to activities or discussions. By including them, you show that you value and care about their thoughts and opinions. Partner up with them in ice breakers, ask what they think about the ongoing topic, encourage them to speak up, and more! It is important to emphasize that their voice matters too.

WHAT'S NEXT

A LITTLE SNEAK PEAK INTO THE NEXT FEW YEARS

Greetings!

Class of 2021, Congratulations on almost finishing high school! Your Key Club journey may end when you graduate, but that doesn't mean that's when the service stops!

Here are some ideas for what you can do next!

CIRCLE K INTERNATIONAL

Did you know that there is a collegiate branch to Kiwanis? Circle K is a great club to join in college if you're interested in staying a club like Key Club

INDEPENDENT COMMUNITY SERVICE

You don't need to be in a club to do community service! Reach out to your city to see if there are any service opportunities available.

HIGHER EDUCATION

You can continue your education by attending a university, community college, or trade/vocational school!

ENTERING THE WORKFORCE

Entering the workforce is a great way to begin making money and gaining work experience.

JOINING THE MILITARY

Going into the armed forces is also a fantastic option for those people who want to serve their country!

No matter what you do after high school, don't forget about the impact you've made in Key Club! Don't be afraid to serve as a mentor to Key Clubbers even after graduation! Prepare yourself for an adventure after high school! Best of luck, seniors!

TIPS & REMINDERS

- Don't Procrastinate!
- Ask questions to LTG/CNH MR Chair
- Fulfill the MAXIMUM it requests in the rubric

DCON 2021 Keynote Speaker

Richard Kuo

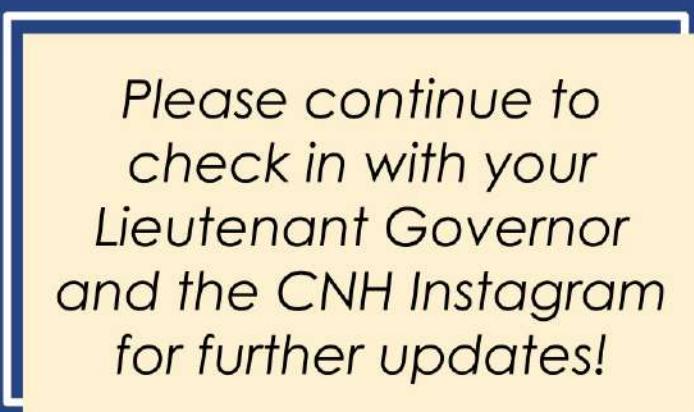

Past Division 4 West Lieutenant Governor, Richard Kuo is a youth motivational speaker and the founder of You Matter Global Movement. He has been empowering people through his over 250 live presentations and his platform on Youtube. **Richard Kuo will be speaking during the first general session on Friday.**

We'll see
you soon!

DCON 2021 REGISTRATION HAS BEEN

POSTPONED

Please continue to check in with your Lieutenant Governor and the CNH Instagram for further updates!

MOVING FROM KEY

What is Circle K?

Circle K is the collegiate branch of the Kiwanis Family that is committed to providing opportunities for service and leadership to their members and community. Their specific objectives are "childhood development, environmental justice, serving those who are food insecure or lack housing and mental health." Circle K International's motto is *Live to Serve, Love to Serve.*

What do they do?

Just like Key Club, Circle K Clubs host service events, workshops, and even work on projects in collaboration with Kiwanis and Key Clubs. Each Circle K Division conducts Division Council meetings each month, as well. Circle K service projects and fundraisers are often targeted towards helping fellow service partner organizations, including UNICEF, March of Dimes, the Pediatric Trauma Program, and more!

CLUB TO CIRCLE K

How are we similar?

Both Key Club and Circle K exist on the international and district levels, which means there are plenty of opportunities for leadership positions and conventions! Circle K clubs also volunteer at many local and regional events the same way that you would as a Key Clubber.

How are we different?

Circle K is different in how they conduct events. With a more flexible class schedule in college, there are different times when opportunities are offered. Circle K also strives to develop different ways to engage members, like through expanded boards and committees, and more!

CNH | KEY CLUB

Kiwanis Family and Foundation Committee | February 2021

#MyKeyClubStory

Samantha Pagdilao

12th grade, Division 33
Club: Wonderful College Prep Academy

Why did you decide to join Key Club?

I originally did not plan on joining Key Club, however I am happy that I did. When I moved to my high school, I was President of a club called Club Live, which sponsors community service activities for middle schoolers. My initial plan for transitioning to high school was to join the high school version of that club, which is called Friday Night Live. Because my high school didn't have Friday Night Live, I joined Key Club instead because it shares similar values and events. Three years later, I do not regret joining Key Club.

What motivates you to keep serving your community?

My motivation for continuing to serve my community is seeing how people from all walks of life come together for good causes. Whether it be cleaning up parks or providing holiday decorations for less fortunate families, it makes me happy knowing that complete strangers will willingly go out of their way to make others' lives more enjoyable.

What is your favorite Key Club memory?

My favorite Key Club memory is when our club made hygiene kits to be given to the local homeless center. This was our first service activity of the 2019-2020 school year and it set the stage for the successful year to come. We were very pleased with the large turnout and enthusiastic participation from everyone. I was especially happy at this activity because I was able to share my passion for service with my friends.

How has Key Club impacted your life?

Key Club has impacted my life in a multitude of ways. My skills in leadership, teamwork, and communication have greatly improved by being in Key Club. It has also challenged my fellow officers and I to think out of the box when it comes to activities, especially during this time when they're all exclusively online. I think the biggest way Key Club has impacted my life is by being more confident in myself. As a former VP and current President and Spirit Coordinator, confidence is key to engage everyone. I've slowly but surely came out of my shell because my positions required it.

What was your Key Club moment?

My Key Club moment was at my first Fall Rally in 2017. Our club was still very new to the concept of Fall Rally — we didn't even know about divisions. Despite not wearing spirit gear or knowing any cheers, I still felt welcomed. There were even some members that I was able to approach and ask questions from! At the end of the day I reflected on what I had seen. Witnessing everyone's unity, friendliness, and excitement all from fundraising for PTP...it was eye-opening. I made me want to learn more about fundraisers. It made me want to make spirit gear and learn chants for next year. It made me want to be a part of Key Club.

Tell us a fun fact about yourself?

My best friends and I bought stuffed animals as souvenirs from our second FRS. One has a turtle, the other has a panda, and I have a walrus.

CNH | KEY CLUB

Kiwanis Family and Foundation | Preferred Charities

**Children's
Miracle Network
Hospitals®**

IHOP

IHOP National Pancake Day

Visit your local IHOP on **March 4th, 2021** for a free short stack of buttermilk pancakes in exchange for donations to the Children's Miracle Network Hospital to provide care and treatment for kids in need.

To provide the best care for kids, children's hospitals rely on donations and community support, as Medicaid and insurance programs do not fully cover the cost of care. Children's Miracle Network Hospitals has helped by raising more than \$7 billion, most of it \$1 at a time through Miracle Balloon icon campaigns. Its various fundraising partners, like IHOP support the nonprofit's mission to save and improve the lives of as many children as possible.

Please follow your local safety guidelines.

Chair April Nguyen | cnhkc.kff@gmail.com

STUDENT LOANS

WHAT IS A STUDENT LOAN?

It's a type of loan designed to help students like you to pay for post-secondary education and its associated fees, such as tuition, books and supplies, and living expenses.

TYPES OF STUDENT LOANS PROVIDED BY THE GOVERNMENT

- Direct Subsidized: loans given to eligible students who demonstrate financial need with interest paid by the federal government
- Direct Unsubsidized: loans given to eligible students with interest paid by the student
- Direct PLUS: loans given to eligible students or parents of students based on credit history
- Private: loans through banks and other financial institutions that set their own eligibility requirements, such as credit history

TIPS AND TRICKS

- Keep track of how much you're borrowing and borrow only the amount you can afford to repay. Student loan payments should be only a small percentage of your salary after you graduate!
- Research starting salaries in your field to get an idea of how much you are likely to earn after you graduate.
- Understand the terms of your loan and keep copies of your loan documents.
- Make payments on time. You are required to make payments on time even if you don't receive a bill, repayment notice, or a reminder.
- Keep in touch with your loan servicer (the private company that manages your federal student loan payments until they are repaid).

REPAYMENT OPTIONS

- Standard: Fixed payments that ensure your loans are paid off within 10 years.
- Graduated: Payments are lower at first and then increase, but ensure your loans are paid off within 10 years.
- Extended: Fixed or graduated payments that ensure your loans are paid off within 25 years.
- Revised Pay As You Earn Repayment Plan (REPAYE): Monthly payments will be 10% of your yearly income.
- Income-Sensitive Repayment Plan: Monthly payments based on annual income, but loans will be paid in full within 15 years.

Policy, International Business, and Elections

Caucus and House of Delegates

1. A single room will be used to seat attendees
2. Delegates must attend and Spectators may observe
3. Candidates will present a 3-5 minute speech and respond to Caucus questions presented by the members for 4 minutes
4. Only 1 Candidate can be in the speech/Caucus room at one time

Caucus

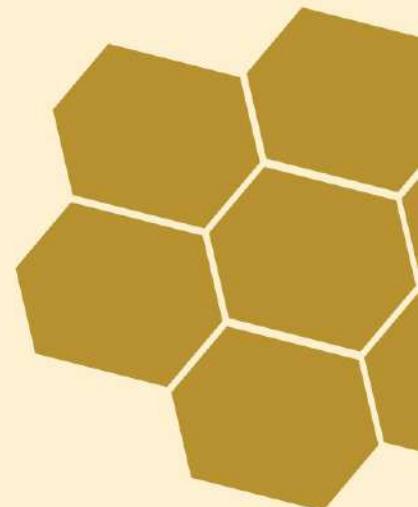

Nomination Conference

- The membership of the Nominating Conference shall consist of the delegates-at-large and two delegates representing each club in attendance at the convention.
- The Ballot collectors shall be members of the PIE Committee and the current Lt. Governors.
- The candidates will be introduced to the Conference and voted on in the following order: Governor, Secretary, and Treasurer, and individuals that are seeking International Endorsement.

House of Delegates

- Board members should study Candidates Booklet to make informed decisions.
1. At the conclusion of District office elections, the Chair of the PIE Committee will present any proposed District Bylaw changes that have been approved for ratification by the House of Delegates.
 2. Ballots will be counted to make sure only the committee advisor(s) to know the final results. Those results will be placed in individually sealed envelopes and handed to the person announcing the results at the designated time.

Policy, International Business, and Elections

Rules

Club Elections

1. Club President shall announce the elections deadlines and official club election date.
2. Candidates running must be dues-paid.
3. Candidates must complete CNH Service Agreement Form, Medical Release Form, and Kiwanis Release Form
4. Submit all forms to Club President and Advisor(s) at least a week prior to elections
5. Absolutely no campaigning!

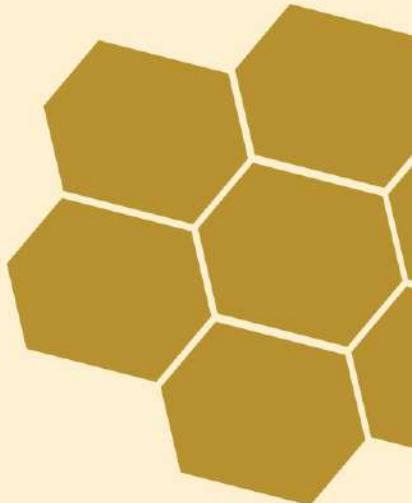

Voting

1. Club elections are to be held virtually unless the club is meeting in-person
2. For voting, delegates are to be in a separate breakout room and receive a Google Form to cast their vote.
3. Advisors will then tally the vote and let the current presiding officer announce the results.

Nomination Conference

1. Make sure the club meets quorum (50% of the dues-paid members should be present).
2. If there are more than 2 candidates running for office, clubs may host a Nomination Conference to narrow down all the candidates to only 2 individuals running for office.

spotlight on service program **KIWANIS FOUNDATION**

background

The Kiwanis Foundation or Cal-Nev-Ha Children's Fund works to build a better future for children through providing scholarships, leadership training, grant funding, and education and training through the Pediatric Trauma Program. During the month of February, the Service Projects Committee would like to encourage clubs to support Kiwanis Foundation initiatives!

submission process

Don't forget to submit your club's SOSP project by the 5th of every month by 6:00PM Pacific Daylight Time for a chance to be featured in the district newsletter and on the CNH Instagram!

Find SOSP Guides on the CNH Cyberkey > Projects > Spotlight on Service Program

Keep in mind! Our district's major emphasis initiative is "children, their future, our focus!"

scholarships and leadership training

The Cal-Nev-Ha Children's Fund contributed more than \$1.5 million in support of its Student Leadership Programs over the last decade. If you are a current senior, please consider applying for the Kiwanis Cal-Nev-Ha Foundation Scholarship! The application is due on February 12, 2021. If you are interested in becoming a student leader, develop your skills at Key Leader, a weekend-long leadership program where you will obtain tools and techniques to become an effective leader. During COVID, the same Key Leader experience can be completed online by searching for "Virtual Key Leader".

grant funding

The Cal-Nev-Ha Children's Fund offers an array of grant programs to members of the Kiwanis Cal-Nev-Ha Family to enhance and further their efforts to build a better future for our children. The grant program makes projects for disaster assistance, PTP, and special needs communities possible by providing start-up funds.

pediatric trauma program

The Pediatric Trauma Program, one of the preferred charities of the Cal-Nev-Ha Key Club District, aims to provide education and training in areas of pediatric trauma and injury prevention. By providing community outreach and materials, providing grants to partner hospitals, and holding projects to address pediatric trauma, the program aims to reduce the number of children who are killed or injured by trauma. YOUR donations to PTP are spent as grants to partner hospitals, grants to Kiwanis and SLP clubs, and PTP safety items.

KIWANIS family HOUSE

what is the kiwanis family house?

The Kiwanis Family House (KFH) was built through the efforts of many Kiwanis club volunteers from the Sacramento area! Their mission is to provide temporary housing and support to families of seriously ill or injured children and adults, and like Key Club, they have a set of core values guided by the KIWANIS Service Motto: "Serving the Children of the World". From 2019-2020, KFH has been able to successfully house 1,305 families and provide 8,711 overnight rooms. We are so proud to support KFH as our Governor's Project!

frequently asked questions

Who is eligible to stay at the Kiwanis Family House?

- Eligible guests at the Kiwanis Family House have family members being treated at the UC Davis Health System and Shriners Hospital and who live 35 miles or more from Sacramento.
- Each guest family is referred by the UC Davis Health System, either by the medical staff or social worker.

Is food provided for guests at the Kiwanis Family House?

- The food closet at the Kiwanis Family House provides food to just-arriving guest families.
- Each guest family is assigned to a refrigerator and cupboard space to store their purchased food. Meals are self-prepared by the families.

How do I reach out to the Kiwanis Family House?

- Address: 2875 50th Street, Sacramento, CA 95817
- Phone Number: (916) 736-0116
- House Director: Dan Germain
- E-mail: dgermain@kiwanisfamilyhouse.org

how to help

Whether you choose to drop off some household supplies or canned goods, make a financial contributions, or volunteer your time, here is a summary of the options to provide support.

- Make a Donation
- Buy a Brick Program
- Become a Friend of KFH
- Volunteer
- Make a Wish List
- Sponsor a Family
- Become a Sponsoring Club
- Hold a Fundraiser for KFH
- Sponsor a Room
- Purchase Equipment or Sponsor a Project

BEES!**

DIVISION 37 WEST | SAGE CREEK *JENNISA BANGAL*

From December 28, 2020 to January 1, 2021, Sage Creek's Key Club held an end-of-the-year service week to finish 2020 strong! Each day gave participants the opportunity to earn two hours of service, totaling to 10 hours for the entire week.

The club brought back two projects that key clubbers were able to do in months prior either on the division level and on the club level, such as walking or biking for Charity Miles on Monday and writing positive messages on windows for neighbors to see on Thursday. Two miles walked and 12 miles biked on Charity were both rewarded one hour, and those who made two decorated, well-written and colorful window messages earned one hour as well.

called Shave the Day the St. Baldrick's Foundation. Raising \$50 through the event on Wednesday, participants wrote positive messages on their neighbors' doors or windows. Wishes for the coming year were written and equated to

On Friday, New Year's Day, the messages were written and sent to a local hospital which collects quality, c

was held. Playing Shave the Day earns money for the St. Baldrick's Foundation, a childhood cancer research charity. Each shave in the game equated to one hour of service. On Saturday, students made Star Hangers, which were 3D paper stars decorated with glitter and ribbon. These stars were made to be hung on door handles within the person's house to give others good luck for the new year. Four stars, each with well-written letters, equalled one hour of service.

On Shave the Day, letters to the elderly in retirement homes were written. Participants wrote letters to the elderly in retirement homes through a nonprofit organization called Love For Our Elders, which helps the elderly receive well-decorated letters through one of their projects.

Letters of Love. Participants were encouraged to write three well-written, colorful, and decorated letters that were at least one page long and send them to the mailing address on Love For Our Elders' website for one hour of service.

DIVISION 14 | CHAYLIN POLINES

I participated with my home club alongside our sister clubs River Valley and Yuba City in a California Division wide project: Recycling for PTP. I collected 3 full bags of bottles and cans yet only profited about \$10. After sending these funds to my home club advisor, she donated a club check of our total funds to the Pediatric Trauma Program. My home club, East Nicolaus, determined that about 10 cans/bottles would equal 1 hour of service. Recycling for one of CNH's preferred charities was one of the most simple and effortless ways to raise some money and earn service hours.

*"I slept and dreamt that life was joy.
I awoke and saw that life was service.
I acted and behold, service was joy."*

— Tagore

RECYCLED DECORATION MAKING

DIVISION 22 MAKAI | KAUAI

JEANINE LONGBOY

This service project, called Recycled Decoration Making, involved the Kauai High Key Clubbers and the respective Kiwanis group. It was one of the service projects that Key Clubbers could complete, in their homes, during the month of December. This service project required Kauai High Key Clubbers to create as many ornaments as they could. This fun project also required them to make these ornaments out of recycled objects found in their homes. Wasting materials and not recycling has been a global issue for a long time. In order

to take care of the Earth, this service project has allowed Key Clubbers to do just that by reusing materials and turning them into a reusable ornament or Christmas Decorations! This project was extremely important because it allowed us to help protect our environment, in a small way. Since we only live on one Earth, it is our responsibility to nurture it. We should always find ways to reduce, reuse, and recycle our belongings in order to preserve this world for future generations and this project was a fun way to do just that!
